

# Our school is using ClassDojo!

## Permission needed for your child's student account

Hi parents,

This year, Barbers Point Elementary has adopted ClassDojo to encourage important skills like working hard and participating. We will also use it to communicate with you: we can instantly share messages, updates and announcements. It's the easiest way for you to see how your child is doing at school and to get in touch with me.

Students will get their own student account. With their student account, your child can share what they're learning through photos, videos, and journal entries. I will approve all posts. Your child will also be able to view their feedback. If your child is under 13, I need your consent to create your child's student account on their behalf - **please sign below!**

Our class goal is for every family to **fill out and return the slip as soon as possible!**

### Parent Accounts

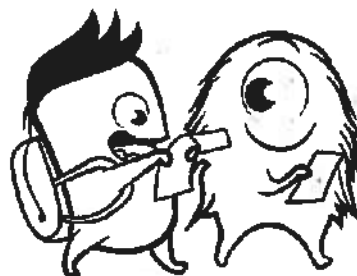

We would like all families to join us and sign up for ClassDojo! You can use it on any device: it is a simple, free mobile app for iOS and Android, and can also be used from a computer at : [www.classdojo.com](http://www.classdojo.com). Your teacher will need your cell number or email to invite you to ClassDojo.

### Learn more about ClassDojo

Find out more about why we're excited to use ClassDojo student accounts, and how it is safe and simple for everyone:
