

Class of 2020

President	
Alexis Barcomb	Amahni Walker
	
<p>Two-hundred and fifty words are not enough to be able to state everything I would like to do for the class of 2020 student body. Last year we, as a sophomore class, made it to number 1 for homecoming. Something rarely done by underclassmen and undeniably impressive. This year I want to help do it all over again. This year I think we should go bigger with homecoming, Plan it all out and get input from everyone. I would like to show the class of 2020 that we can be just as amazing as we were last year. That with all the hard work we've put in we can keep pushing our class to be unforgettable. This year I also want to spend more time reaching out to the class of 2020 and taking opinions/concerns from each of them. I want to address each concern and handle it to the fullest extent that I if elected to the position again, can take it. I also want opinions from more people within the student body. I felt that unless a student was in steering last year, they really didn't have much of any voice in matters. This year let's change that. I think everyone no matter what club should be able to voice their wants and that will be my goal this year if I am elected to presidency again. Thank you, class of 2020, for a great year last year and hopefully to another.</p>	<p>Choose me to be your President and I will not only be the voice of the class with perfect vision, but I will be sure to help resolve our concerns to the best of my ability. I cannot promise that I can change the dress code or create better lunches in the cafeteria, but what I can promise is that my number one goal as Class President will always be to put my fellow classmates and their concerns first. Voting for me is the equivalent to having your own seat in Student Government. This gives you the power to use your voice in different situations through me and the other officers in Student Government. One of the goals of S.G.A is to encourage greater school spirit and If you select me as class president I will make sure that the wildcat spirit does not die. Let's prove why our class is a force to be reckoned with. We have all the components to turn this school around. we just need someone who can really utilize those components as well as incorporating everyone's strengths to make our class the best there is. The class of 2020 is a class to remember, and with me as president no person will forget that. Vote Smiley for president and allow the rest to be done for you.</p>

Vice President			
Kristal Prado Zapata	Cole Clemons	Zharia Wilson	Abigail Wylie

			
<p>As a hardworking and dedicated student here at Wesley Chapel High School, I would be honored to be a part of the Student Government. I believe that I could benefit my peers if I were Vice President because I am organized and my personality allows me to be a leader and to do what would be expected of me as Vice President. I am dedicated to everything I do and have participated in many team sports and clubs. With this experience of working as a team and managing all of my time accordingly, I believe that I can be an efficient member of the student government. I am a part of the Varsity cheer team and hope join other clubs, allowing me to come into contact with a large variety of students. This would also allow me to spread more school spirit and school news. I also believe that my</p>	<p>My name is Cole Clemons and I am running for the position of the Class of 2020 Vice President. I would best serve my classmates as the Junior Vice President by listening to my classes peers need for change, reflecting on and attempting to change school policy to better suit the student body, and upholding my role apart of the Student Council. If elected into the role of Vice President I will be your voice towards school administration to take positive change to rectify issues currently plaguing the student body. While also taking charge within the Student Council to ensure your voice and feedback on current issues is taken to consideration going forward. Along with being an effective voice for change, I will treat my role as Vice President with the utmost importance, dedicating the work and dedication needed to fulfill the duties of</p>	<p>Never had I thought that becoming a part of SGA last year would result in an amazing experience that helped me learn more about my fellow peers and school. Being appointed as Vice President for the Class of 2020 last year, I made sure to show up to SGA meetings, run our social media accounts, and help lead our 2020 Steering group. Me along with my other SGA officers helped to fundraise for our class, executed the Powderpuff games, have done volunteer work for Relay for Life, and have already started making plans for Prom this year. I also have a great relationship with the sponsor Ms. Garcia and with the former teacher in charge of SGA. Outside of my former year of SGA, I make sure to represent myself as a leader in everything I do. I am apart of NHS and NSHS, am currently section leader for the low woodwinds in the</p>	<p>I'm Abigail Wylie, and I'm running for Vice President. I want our student government at Wesley Chapel to strive to be active and continually working for the benefit of our school and any others in need. I tend to naturally gravitate towards leadership positions, and even though I haven't been an officer, I have been to almost every event our class has sponsored, and spent many weekends working for our class to help as much as I can. Im sociable, dependable, and persevering. I work well with others, and will take every piece of advice and any ideas in mind as I work hard to be a good leader. No matter the outcome I hope to leave a positive impact on my school in any way that I can.</p>

<p>positive attitude and friendly personality allow me to communicate with both students and members. Therefore, I sincerely believe that attitude, personality, hard work, past experiences, and dedication can help me to be a successful member of the student government. If I were to be elected as the Vice President for the Class of 2020, I would be honored and can assure you I'd do everything in my power to be the best Vice President I can be.</p>	<p>the Vice Presidency. Driven until what needs to be done to accomplish my personal administrative goals governed by the student body and the goals of the council. Finally, as the Vice President I will always try to make Wesley Chapel High School a better school and community to be a part of daily, ensuring the student bodies satisfaction with the student council and its group decisions. While Informing when necessary to get word out about class and school events. In conclusion, if elected, I will be your voice for change representing our class to constantly implement change when social and policy issues arise within Wesley Chapel High School.</p>	<p>Wildcat Marching Band, and first vice president of a group outside of school known as the Delta G.E.M.S where I help hold meetings and activities. Finally, I feel I can represent my peers very well. Being apart of programs ranging from Band and 2020 Steering to Track & Field and Step Team, I have witness all types of people in different types of settings and can become a voice for them similarly to last year. I hope to become vice president again for this years Juniors and promise to make this year of 2018-2019 another great year.</p>

Secretary	
Dana De Castro	Matthew Walford
	

<p>Class Secretary holds four requirements that I will fulfill. One must be ready to accept the position of President and Vice President, when not present. My past experiences led me to become used to doing that. My teacher placed us in groups and a team leader was assigned. The team leader was absent and I assumed the leader position so work can still be completed in time. Another requirement includes electronically keeping track of the attendance at all meetings. As a pack leader, I keep track of attendances in the class through electronics, which helps to accomplish one of the requirements. A Class Secretary needs to collect and maintain community service hours for all events, digitally. For pack leading, I can keep track of the assignments that students have done on an electronic, along with remembering what grade each student deserves. This skill will correlate to help maintaining community service hours. Lastly, I need to hold responsibility for all class correspondence. I am very good at communicating with my fellow peers and can keep electronically and recorded information, as being an iPad student allowed me to become more advanced when using technology. My past experiences can help accomplish each requirement of Class Secretary. I will never fail at uplifting school spirit by making sure everyone is informed of events taking place, and will always have a positive attitude. Overall, being apart of SGA will help me to be more attentive because I will keep track of everything.</p>	<p>As a member of the 2020 steering committee, I believe I could serve the class very well as secretary. I am very organized and focused, so I will always be able to be on top of the meeting we have and keep all of the notes together. I can connect with the student body well to listen to their ideas and write them down for ideas for homecoming, dress up days, or anything else we may need opinions on. I have helped with homecoming and setting up the hallways already and am planning to continue, because I want to make it the best possible for our class. I want to be able to help out as much as possible and I know that the officers are able to do much more for our class. I want to also be a part of the prom committee and I know that the officers have to help a lot, which I would be perfect for. I have no other extra curricular activities so I would be able to make it to every meeting and have everything organized and not mess things up with other things I have going on. I believe that secretary is one of the most important positions because I would have to keep everything organized and know as much as possible about each project we have going on. I would like to be able to serve our class as much as possible, and I know as an officer I can do as much as I can.</p>

Treasurer	
Camryn Farquhar	
	
<p>Hi, my name is Camryn Farquhar and I am interested in running for the Junior Class Treasurer! This past year I have had the opportunity to serve as our class Secretary and had such a great time</p>	

meeting new classmates, as well as participating in school events. I love to stay involved at school and I am an active member of National Spanish Honor Society, FFA, and our school's SAC committee. Throughout my FFA experience, I have learned how to keep track of financial records with my animal projects. This year I am the FFA's President and I have previously served as our FFA Chapter's Treasurer. Between after school activities and my classes, I have learned to manage my time and balance my work. I have always been super organized and I think these qualities will help me to do well in my position. My goal as the Treasurer is to help our class manage our finances and come up with class fundraisers. I am super excited for this upcoming year! Last year as a class, we made so many memories during homecoming decorating, powderpuff, car washes, and Relay for Life. I would love to have the opportunity to be a part of this again and encourage other kids to join and become more involved with our school. Our class keeps getting better and better every year and I know we will continue to make great memories! I would love to have your vote to be your Junior Class Treasurer!
