To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements:</p> <ul style="list-style-type: none">▪ High school graduation with a standard diploma▪ Admission test scores▪ 16 credits of college preparatory academic courses▪ 4 English (3 with substantial writing)▪ 4 Mathematics (Algebra I level and above)▪ 3 Natural Science (2 with substantial lab)▪ 3 Social Science▪ 2 World Language (sequential, in the same language)▪ 2 approved electives <p>http://www.flbog.edu/forstudents/planning</p>
The Florida College System
<p>Includes 28 state colleges. These institutions offer career-related certificates and two-year associate degrees that prepare students to transfer to a bachelor's degree program or to enter jobs requiring specific skills. Many also offer baccalaureate degrees in high-demand fields. Florida College System institutions have an open door policy. This means that students who have earned a standard high school diploma, have earned a high school equivalency diploma or have demonstrated success in postsecondary coursework will be admitted to an associate degree program.</p> <p>http://www.fldoe.org/fcs</p>
Career and Technical Centers
<p>Florida also offers students 46 accredited career and technical centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.</p> <p>http://www.fldoe.org/workforce/pdf/DistrictTechnicalCenterDirectors.pdf</p>
