These include but are not limited to dances (Homecoming and Prom), special events, club activities, field trips, grade-level activities and athletics. This remains in place until the end of the following grading quarter.
- Absences accumulated in the fourth quarter will result in loss of privileges during said grading quarter only and will not carry over to the following year.
- **** A student can only use one off-track appeal per school year if status is based on attendance. Come to school and use it wisely!****
