

*Mission Possible: Graduation &
Beyond
Class of 2025*

**Information and Tips for Creating a Successful Middle School &
Career Experience**

Welcome to Middle School!

5th to 6th Grade Transition

Transition to Middle School

- Like anyone who begins a new journey, there will be excitement along with lots of questions.
- This presentation will help answer questions as well as prepare students and parents for the transition to middle school.
- As in elementary school, professional school counselors in middle school support district students in three life domain areas:
 - Academic
 - Career
 - Personal/social

Getting Ready for Middle School

MS 101

- This document is a guide for students and parents and provides information about middle school.
- Information is provided about:
 - 5th to 6th Transition Process and Events
 - Academics
 - Organization, Study Routines, Reminders
 - Important Definitions
 - Characteristics of Middle School Student and Middle School Vocabulary/Definitions
 - Middle School Courses
 - High School Courses Taken During Middle School
 - Testing

MS 101 Continued

- Career Planning
 - BRIDGE Advisement
- Personal and Social
 - Just Keep Peace
 - Characteristics and Concerns of Middle School Students
 - Parent Involvement and Tips
 - School Personnel
 - Differences in Elementary and Middle School
- Appendix

***Mission Possible:
Graduation and Beyond***

Middle School 101

***A Handbook for Students and Parents
Paulding County School District***

Please note: The information provided in this guide is subject to change as updates and/or requirements become final from the Georgia Department of Education, Paulding County School Board (policy), and/or other agencies such as the Georgia Student Finance Commission Guidelines.

Academics-What classes will I take during my 6th grade year?

Students have several teachers in middle school. During 6th grade year, students take:

**Advisement/Homeroom/Academic
Enrichment**

Language Arts

Math

Science

Social Studies

Two Connections classes (electives)

Being on a Team

- Each student is assigned to a team
- Team is a group of students and teachers working together
- Number of teams vary at each grade level, depending on size of middle school
- Teams consist of three or four teachers
- Team concept allows close relationship for student with team of teachers
- Building a relationship with several teachers is an important experience as middle school students move into high school
- Team concept allows teachers to work together
- Make-up of team supports all students and all ability levels

Sample Schedule

Homeroom

1st Period-Science/Grade 6

2nd Period-Social Studies/Grade 6

3rd Period-Visual Arts/Grade 6

4th period-Band/Grade 6

5th Period-Mathematics/Grade 6

6th Period-Language Arts/Grade 6

**Some middle school
students will take Advanced
courses in English/Language
Arts, Math, Science, and/or
Social Studies**

Course Criteria (Next Slide)

Advanced 6th Grade Courses

Grade/Course	Grades	Teacher Recommendation
Advanced ELA	<ul style="list-style-type: none">• Demonstrates or exceeds mastery on 15 out of 18 assessed reading standards by the end of the 3rd term• Demonstrates or exceeds mastery on 8 out of 10 assessed writing standards	Considering attendance, homework completion, participation, and student work habits
Accelerated Math	<ul style="list-style-type: none">• Demonstrates or exceeds mastery on 16 out of 20 assessed math standards by the end of the 3rd term• Scores at or above stage 7 on the IKAN Assessment	Considering attendance, homework completion, participation, and student work habits
Advanced Science	Demonstrates or exceeds mastery on 5 out of 7 assessed science standards by the end of the 3rd term	Considering attendance, homework completion, participation, and student work habits
Advanced Social Studies	Demonstrates or exceeds mastery on 3 out of 4 assessed social studies standards by the end of the 3rd term	Considering attendance, homework completion, participation, and student work habits

Students Taking Advanced Courses in Middle School May take High School Courses for High School Credit

- ❖ World Language Course Begins in 7th Grade (Spanish I)**
- ❖ 9th Grade Honors Literature and Honors GSE Algebra I courses begin in 8th grade.**
- ❖ Thoroughly review this information in MS 101 Guide.**
- ❖ It is important to do well in 6th and 7th grade courses and meet all requirements, if a student wants to take the above courses later in middle school.**

SB289 Online Courses

Students who are interested in taking an online middle school course must have the parent apply online during April/May/June on the district website for the following school year.

Online course opportunities are sometimes limited at both the middle and high school levels.

Counselors advise both students and parents regarding online course opportunities.

Please refer to the *MS 101* guide and/or the district *Career Planner* for further information.

Testing

Georgia Milestones Assessment

Georgia Milestones measures how well students have learned the knowledge and skills outlined in the state-adopted content standards in language arts, mathematics, science, and social studies. Students in grades 6-8 take these summative assessments.

What is BRIDGE

Building **R**esourceful **I**ndividuals to
Develop **G**eorgia's **E**conomy

Advisement?

For all elementary and middle school students, there is BRIDGE advisement delivered by counselors through classroom guidance. BRIDGE Advisement activities and plans help all students be College and Career Ready.

During grades 1-5 elementary students learned about career clusters and 5th grade students complete a Career Portfolio on a career interest during the second semester.

BRIDGE Advisement Tasks in 6th Grade are Completed via GCIS JR Website

Differences in Elementary and Middle School

Elementary School	Middle School
One teacher and classroom	Different teachers and classrooms
Expectations that students are used to with frequent reminders from teachers	Expectations may be different and students are given more responsibility
Belongings stored in the classroom with teacher assistance	Students have specific place or locker to store belongings
Same students in each class	Different students in each class
Many of the same students kindergarten through fifth grade	Students coming from different schools. New opportunities to make friends.
Limited choices	Choices for clubs, organizations, band, chorus, orchestra, and intramurals.
Work is completed in class with some homework.	Students receive more homework and must learn how to organize book bags, lockers, materials, and their time.
Testing Georgia Milestones Assessments - 3rd - 5th Grades IKAN (Math Only) – 5 th Grade Math Inventory Screener (K-5)	Testing Georgia Milestones Assessments - 6 th - 8th Grades IKAN (Math Only) – 8 th Grade Math Inventory Screener (6-7)

Important Immunization Information

Please make certain you have taken care of immunization requirements for your student.

- ✓ The State of Georgia requires that all students entering public school have a completed certificate of immunization on file with the school.
- ✓ There is a requirement as students enter sixth grade that there is proof of meeting requirements on Form 3231.
- ✓ Students entering 6th grade must have had two MMR vaccines and show proof of immunity to varicella
- ✓ An up-to-date immunization form is due prior to the first day of school.
- ✓ Please check with your healthcare provider to see if your child needs any additional immunizations.
- ✓ The state sends an auditor to check 6th grade records each fall. They will make a list of individual students who need additional immunizations.
- ✓ Failure to provide documentation of up-to-date immunizations can cause your student to be withdrawn from school.
- ✓ All requirements are on the district website link.
