

Dear Class of 2028 Families-

We hope you are enjoying a nice end to your 8th grade year. It is certainly a time of celebration and closure as you move into your summer.

Please see below for important updates and “to do’s” as we work towards the start of the 2024-2025 school year:

1. The New Trier English Department assigns **summer reading** in all of our courses, but *students do not need to begin their summer reading until late summer*. We want students to enjoy their summer break. ***Attached is a copy of New Trier’s summer reading assignment.*** You can also view summer reading assignments on the [English page](#) of the website.

*Please make sure you purchase the correct selection for your student’s English course. You can view your student’s English course selection in Power School under class registration. The level of your student’s English course is indicated by the LAST DIGIT IN THE COURSE NUMBER.
2. If your student is enrolled in **Spanish Year 3 Level 4 (Spanish 334)**, there is a summer reading assignment. Please see the attached document from the Modern & Classical Languages Coordinator, Bob Cummings. You can also find information about the summer reading on the [Modern & Classical Languages page](#) of the website.
3. If you have questions about **iPad purchase** and orientation go to the [Mobile Learning Link](#) on the New Trier Website. You can also email ipadhelp@nthsh.net with questions. All students are required to purchase an iPad and attend an orientation session at the Winnetka Campus. New Trier school ID photos will be taken during iPad orientation.
4. The **Enrollment and Annual Verification** form was sent in early May. This is the final step in enrolling at New Trier for the 2024-2025 school year. Your student will not receive a Fall Schedule if these forms are not complete. Please contact enrollment@nthsh.net with any questions.
5. **Fee bills** were sent by email mid-May. You can find information on the [Incoming Webpage](#) under Fees and Information.
6. Information about **bus service/transportation** was sent by email in May. Please see the [Transportation page](#) on our website for more information. The deadline for bus service registration is July 9th.
7. **Adviser room placements** will be sent by mail in mid-July. This letter will introduce your student’s adviser and senior helper.
8. **Schedules** for the 2024-2025 school year will be sent by email in early August. **Booklists** and information about purchasing books will be sent from *Becks Bookstore* at the end of June. *Students will get information about school supplies for specific classes on the first day of school.*
9. You will receive a “**Back to School**” **checklist and FAQ** in early August to help your student prepare for the first days of school.
10. Please check the [Athletics Webpage](#) on the New Trier website for all Fall start dates and specific sport information.
11. We are excited to have our entire Freshman Class of 2028 Orientation on the first day of school, Wednesday, August 21st. ***There are no adviser room gatherings in the week before school begins.***

We hope you have an enjoyable and restful summer. We are looking forward to seeing the Class of 2028 in August. Stay tuned to updated information on our [Incoming Webpage](#).

Sincerely,

Gail Gamrath, Associate Principal

Lori Worth, Transition Coordinator
