### Scholarship Application

The Clayton Historical Association's mission is to restore the town of Clayton's properties as a museum for all. The Historical Association started with a group of ten local citizens who got together with the desire to protect, promote, and interpret local history. They organized the Historical Association, purchased the abandoned old Mercantile building in Clayton (which was built in 1889), added it to the National Register of historical Places, and began to restoration of the Museum. They completed the restoration and opened the Mercantile as a museum for all to enjoy in 2008.

The Association's Board of Directors have created a scholarship to benefit local youth in the area who wish to achieve higher education.

Persons wishing to donate to the scholarship Fund may contact the Clayton Historical Association member, Cheryl Baker at 208-993-9456
