Year-End School Conduct Data Verification of Report on School Profiles

At the end of a school year, LEAs have until <u>July 15</u> to preview the listing of their school's School Conduct data as it will appear on School Profiles starting **August 1**. The purpose of this review is to correct any glaring errors or omissions in the data. In addition, the previous year's data on School Profiles would provide a valuable point of comparison for trends or changes. Any significant change in the numbers may be a reflection of changes in policies or procedures.

The preview of school conduct data on profiles can be found on the *EdInsight Dashboard* using *IMS*.

1. Select EdInsight Dashboard.

2. Once you enter the EdInsight Dashboard, click on "My Reports."

3. Click on "Attendance and Discipline Reports" and then click on "DOE Discipline Summary Report for Districts and Schools-Live Data."
