

Greetings from ETHS College & Career Services!

We are excited to begin our 2020-2021 college/career representative visit season! We know this school year looks very different for all of our students, especially as we look forward to planning for life after high school. We are committed to providing opportunities for students to gain insightful and useful information to aid in their decision making.

This year, we will be hosting virtual college/career representative visits. **Virtual visits will be scheduled on Mondays between 8:00am-4:00pm beginning August 31st.**

Seniors will have access to view visits and meeting links in two places: the College Rep Visits list in Naviance as well as our [ETHS College & Career Services Google Classroom](#)

Juniors will have access to view visit information including meeting links in our [ETHS College & Career Services Google Classroom](#)

Visits will be “assigned” to all juniors and seniors through the College & Career Services Google Classroom. Please attend the session if you are interested in the opportunity. You are not required to attend.

Once students gain access to the zoom meeting, students should complete our brief College/Career Services Rep Visit Form in the chat for attendance purposes. If you are unable to attend you are encouraged to communicate with the rep about your interest. Contact information for the rep is listed in Naviance or contact Ms. Cooper (cooperl@eths.k12.il.us) for additional information.

The College & Career Services Staff -
Beth Arey, College & Career Coordinator
Michelle Vazquez, Post-Secondary Counselor
Llyoandra Cooper, College & Career Support Specialist
