

SJR State Collegiate High Schools in St. Johns County Parent/Student Information Sessions

Monday, February 24, 2020 at 5:30 p.m. at Allen D. Nease High School

Tuesday, February 25, 2020 at 5:30 p.m. at St. Johns River State College,
Room C-116

Wednesday, February 26, 2020 at 5:30 p.m. at Pedro Menendez High School

Welcome

SJR State & St. Johns County School District Collaborative Partnership

- St. Johns River State College
- St. Johns County School District & High Schools

The Basics

- Who is SJR State?
- What is the Associate in Arts Degree?

What is a Collegiate High School?

The SJR State Collegiate High Schools in St. Johns County create an opportunity for a cohort of eligible students to enroll in college level classes and earn their Associate in Arts degree—all while still enrolled in high school.

Aren't our students already doing this?

St. Johns County High School	Fall 2016 Dual Enrollment Headcount			May 2017 DE AA Graduates	4 Year Total DE AA Graduates
	At SJR State	At High School	Unduplicated Total		
Allen D. Nease High School	47	85	117	3	5
Bartram Trail High School	115	97	223	4	12
Creekside High School	14	263	270		
Pedro Menendez HS	35	128	143		3
Ponte Vedra High School	7	164	171		1
St. Augustine High School	58	0	58		3
St. Johns Technical HS	4	0	4		
St. Johns Virtual HS	7	0	7		
St. Johns County Total			994	7	21

What is a Collegiate High School?

PATHWAY TO THE AA DEGREE

10th & 11th grades: students will take a defined list of 18 college credits in combination with their high school classes.

Summer between 11th & 12th grade: students will take 9 college credits at SJR State or online.

12th grade: students will be enrolled full time on the St. Augustine Campus of St. Johns River State College, taking a total of 33 credits.

Who Is Eligible?

- Participation in Dual Enrollment in Florida requires a minimum of 3.0 un-weighted high school GPA.
- Students were selected to receive an invitation to today's information session based upon having a minimum un-weighted cumulative high school GPA of 3.0.
- Strong performance in English, Reading, and Math courses recommended.
- Students must have a level 3, 4 or 5 on the 8th grade Florida Standards Assessment for English Language Arts.
- Eligibility dependent upon final 9th grade end of year GPA.

How Would This Work?

Documents in Packet

- SJR State Associate in Arts Degree
- SJR State Collegiate High School Associate in Arts to Baccalaureate Degree Pathway
- Principles of Participation
- Admissions & Lottery Process
- Lottery Application

Nuts & Bolts

- All students must have and maintain a minimum of a 3.0 un-weighted high school GPA and in all dual enrollment courses earn an A, B, or C (No Ds, Fs, or Ws) for continued program eligibility.
- As part of the application process, students will complete a college readiness test to assess their readiness in college reading, writing, and math.

Nuts & Bolts

- Students must be engaged in college preparatory curriculum throughout high school and showing signs of increased college readiness in order to continue to participate each year.
- Students must have college ready test scores in math, reading, and writing in the 11th grade in order to be on track to graduate from high school with the AA Degree.

College Ready Test Scores

ENC 1101 Composition I	ACT: 19 Reading & 17 English Old SAT: 440 (tests prior to March 2016) PERT: 106 Reading & 103 Writing	New SAT: 440/24 (effective March 2016) CPT: 83 Reading & 83 Sentence Skills
MAT 1033 Intermediate Algebra	ACT: 19 Math Old SAT: 440 (tests prior to March 2016) PERT: 114 Math	New SAT: 480/24 (tests after March 2016) CPT: 72 Elementary Algebra
MAC 1105 College Algebra	Completion of MAT 1033 OR ACT: 21 Math Old SAT: 450 (tests prior to March 2016) PERT: 123 Math	New SAT: 490/25 (tests after March 2016) CPT: 85 Elementary Algebra

Nuts & Bolts

- Tenth grade courses will be offered at the high school.
- In the 10th Grade as part of the course SLS 1101, all Collegiate High School students will come to SJR State's Campus for a tour, overview of campus services, and to obtain student ID cards.
- Collegiate High School students are eligible to access SJR State's library and Academic Support Center throughout grades 10-12.
- Collegiate High School students will be regularly scheduled to meet with SJR State Dual Enrollment Specialists and Academic Advisors.

Nuts & Bolts

- 11th grade courses will be offered either at the high school site **or** at SJR State **or** online, depending upon instructor availability.
- In order to complete the AA, during the summer between 11th and 12th grade **AND** during the senior year, students must be taking a full course load at SJR State's campus. Students are encouraged to continue to participate in extracurricular activities at the high school, but they may not be taking additional coursework at the high school site as well as a full load of college courses.
- Transportation to and from SJR State's Campus is the responsibility of the student/family.

Nuts & Bolts

- College courses taught at the high school site are exactly like the college courses taught on SJR State's campuses—they are just being taught somewhere else. The student's SJR State **college** transcript will not show any indication that the course was taken at a high school site rather than on a college campus.
- College courses taught at the high school site will use the same textbook, course outline, and learning outcomes as if the courses were being taught on SJR State's campus. The faculty have the same credentials and are evaluated by SJR State staff to ensure the course outcomes are being met.

Who Pays for This?

- Dual enrollment students and parents are statutorily exempt from the payment of all tuition, textbook, and fees.
- The St. Johns County School District is not charged tuition for courses taught at the high school site or summer courses. SJR State in-state tuition is \$108/credit hour. The School District pays SJR State a discounted tuition rate of \$71.98/credit for dual enrollment at SJR State's campus & online. Dual enrollment students and parents pay nothing.
- The St. Johns County School District receives full FTE for all dual enrollment students, even when students are enrolled full time at SJR State's campus and taking no courses at the high school. Tuition for 33 credits during senior year will be \$2,375, well below the \$7K+ FTE the student will generate for the District.

**This is a true financial partnership
between the College and the
District that benefits students and
the community.**

So What's the Downside?

- Once you are in 12th grade and taking all of your classes on SJR State's campus, you will truly be just like any other college student.
- The college calendar is often not the same as the high school calendar. In the 12th grade, if the college is open and if you are taking a class on our campus, you will be expected to attend class at SJR State's campus.
- It is the student's responsibility to contact the professor if you are having difficulty in the course or to notify the instructor of an absence.

So What's the Downside?

- These are “real” College Courses—students’ college GPA and transcripts never go away.
- Students must have the social and emotional maturity to handle college level coursework and a college classroom.
- Students need to be ready to declare their college major when they are a senior in high school.

And the Upside?

- The Collegiate High School will be ***rigorous*** and will provide you with ***academic challenge*** and enable you to develop your ***critical thinking*** and ***higher order thinking*** skills.
- The Collegiate High School will provide you with exposure to a college campus and college environment while you are still in high school.

And the Upside?

- The Collegiate High School is an ***accelerated pathway to your college degree/degrees***
 - There is a clear correlation between educational attainment and earnings and educational attainment and the unemployment rate.
 - Particularly if you have aspirations to pursue a Bachelor's Degree or higher and are focused and have an idea of the field you are interested in studying, the Collegiate High School is an excellent way of moving you towards your goal more quickly—and it will save you money.

And the Upside?

Florida Bright Futures Eligibility Criteria					
High School Pathway	Minimum Coursework	Minimum Weighted GPA	Minimum ACT/SAT Score	Minimum Volunteer Hours	Bright Futures Type
Dual Enrollment	16 high school course credits	3.5	29/1290	100 hours	FAS
		3.0	26/1170	75 hours	FMS
AICE Curriculum	16 high school course credits	3.5	29/1290	100 hours	FAS
		3.0	26/1170	75 hours	FMS
IB Curriculum	16 high school course credits	3.5	29/1290	100 hours	FAS
		3.0	26/1170	75 hours	FMS
AICE Diploma	16 high school course credits			100 hours	FAS
				75 hours	FMS
IB Diploma	16 high school course credits			100 hours	FAS
				75 hours	FMS

<http://www.floridastudentfinancialaid.org/ssfad/PDF/BFHandbookChapter1.pdf>

And the Upside?

What will Bright Futures cover?

“A Florida Academic Scholar (FAS) or Florida Medallion Scholar (FMS) may receive funding for up to five years from high school graduation for a maximum of **120 semester hours** (or equivalent) toward the completion of a certificate or a first baccalaureate degree. This also applies to students in **3/2 programs** who are classified as an undergraduate.” (Bright Futures Student Handbook Ch 2, pg 3)

“A FAS or FMS scholarship recipient, who graduates with a baccalaureate degree in seven or fewer semesters, or in 105 semester hours or fewer, may receive **funding for one semester of graduate study**, not to exceed 15 credit hours paid at the undergraduate rate. Graduate school funding must be used within the student’s five year award timeframe (within five years from high school graduation).” (BFSH Ch 2, pg 6)

<http://www.floridastudentfinancialaid.org/ssfad/PDF/BFHandbookChapter2.pdf>

And the Upside?

Significant Savings for Students

2017-2018 SJR State In-State Tuition \$108/credit hour

\$108/Credit Hour X 60 Credits = **\$6,480**

Approximate Textbook cost for 60 credits = **\$2,840**

Total Tuition & Textbook Savings Per Student: \$9,320

How Will Students Be Selected?

- All eligible students must apply to be in the collegiate high school by the deadline of **4:00pm February 16, 2018**. Thirty students will be accepted per high school. If the number of eligible students who apply exceeds the number of seats allocated for the program, a lottery will be applied for final selection.
- The lottery would occur during the week of **February 19th** and acceptance or denial letters will be sent out the week of **February 23rd**.
- See Admissions & Lottery Process document for complete details.
