July 27, 2020

Dear Comet Families,

We are gearing up for what is sure to be an incredible year at Carillon Elementary School. With selections of family options done last Friday, our current totals are now:

- Face to Face- 281 Students
- No Selection- 168 Students
- Hybrid- 25 Students
- Seminole Connect- 361 Students
- Seminole County Virtual School- 147 students

If you need more information about your choice, including a possible change, please contact the school directly and we can assist with you with your needs.

As a reminder, students with No Selection are defaulted to Face to Face. This means we are currently preparing for **474 students** to be on campus (Face to Face, No Selection, and Hybrid combined) on August 17<sup>th</sup>.

In coming days, we will be sending out communication and information. Some of the communication will only apply to Face to Face students and Hybrid students and their families, some may only apply to Seminole Connect students and their families, and some may apply to all Comets (Face to Face, Hybrid, Seminole Connect and SCVS). We will do our best to distinguish the types of communication, but it will be important to read things over carefully.

We are getting ready for the following, beginning of the year events at Carillon prior to the **August 17<sup>th</sup> First Day of School:**

**Meet the Teacher- August 12<sup>th</sup>**

Done remotely for all Face to Face, Seminole Connect, and Hybrid Students in  
1<sup>st</sup> Grade- 5<sup>th</sup> Grade

**Grade Level Drive Thru- August 13<sup>th</sup>**

Face to Face, 1<sup>st</sup>- 5<sup>th</sup> Grade families will have an opportunity to drive through, wave hello to teachers, and drop off supplies.

Each grade level will have a scheduled time.

Be sure to reference the SCPS supply list:

**Meet the Teacher- August 14- Kindergarten and New Students**

Meet the Teacher will be done by appointment only for Kindergarten Face to Face Students and New to Carillon Face to Face Students + Hybrid Students.

Kindergarten and New Seminole Connect Students will have a Meet the Teacher event done remotely.

***\*All families should expect to be contacted by their child's teacher prior to August 12<sup>th</sup>. \****

I realize that there are still many questions left to be answered. We will continue to keep you updated as we get more information. No matter the format, Face to Face, Seminole Connect, Hybrid or SCVS, our students will CLIMB because:

- **C**omets,,,
- **L**earn in different ways about different things.
- **I**dentify areas for growth.
- **M**ake a difference.
- **B**alance achievements and fun.

This type of climbing is not easy, and our students have questions. Therefore, we have scheduled a special edition of the Carillon News Network. If you know of a student who has a question, please send those questions in ahead of time to my email address [Daniel\\_windish@scps.k12.fl.us](mailto:Daniel_windish@scps.k12.fl.us) or have them tune in and ask a question in the comment box. I am really looking forward to hearing from our Comets again.
