

# New Hope Administration Team

# Laura Webb - Principal

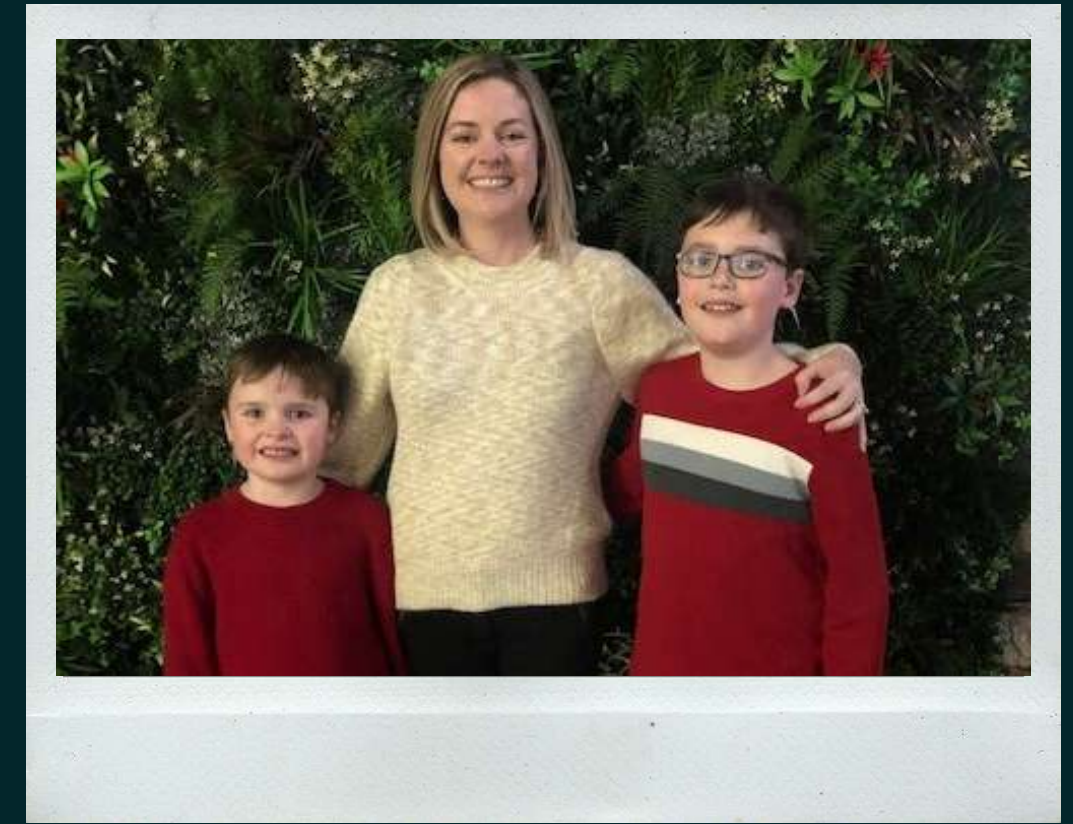

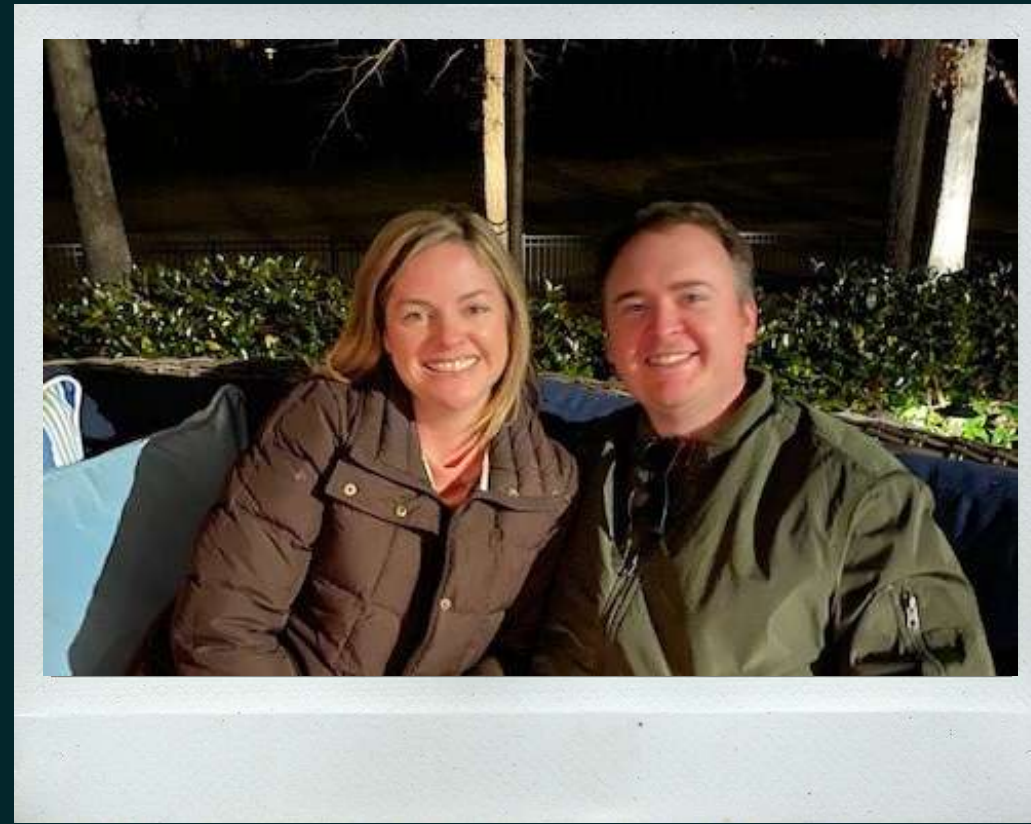

I am so excited to serve as New Hope's first principal and create a vibrant and thriving school community with all our new Nighthawks and their families. I began my career 22 years ago as a fifth-grade teacher in Fulton County. I taught at Dunwoody Springs Elementary and Wilson Creek Elementary. I became an elementary mathematics specialist, and then served as assistant principal at Dolvin Elementary and Roswell North Elementary. In 2015, I was thrilled to join Forsyth County Schools as assistant principal at Big Creek Elementary before taking over as principal the following year. I have two boys, Ryan and Connor, who attend Forsyth County schools, and my husband is a principal in Fulton County. And the newest member of our family is a sweet 5-month-old miniature poodle named Chewy. During school breaks and summer vacations, we love to travel and explore new places and believe that learning is a lifelong adventure!

# Heather Smith - Assistant Principal

I am so excited to be joining New Hope as the Assistant Principal. This is my 16 year in education. I earned my bachelor's and master's degrees from North Georgia College and State University, as well as a dual degree in Early Childhood Education and Special Education. I have endorsements in reading and gifted and am an Educational Specialist in Curriculum and Instruction with a leadership add-on certificate. I have taught 4th grade, 5th grade, gifted, and have been an instructional coach and assistant administrator. I have two sons, Lane and Finn, who will be attending New Hope as well! My husband is also an educator and a middle school band director. I love spending time hanging out and playing with my boys.

# Katie Baldwin - Assistant Administrator

I couldn't be more excited to be a part of the New Hope administration team next year! I earned my bachelor's degree in Journalism with a Spanish minor from the University of Georgia (GO DAWGS!). Then I received my Master of Arts in Teaching in Reading, Language and Literacy from Georgia State University with endorsements in Reading, ESOL and Special Education. I taught at several schools in north Fulton County before joining Forsyth County Schools in 2017 as an Instructional Coach at Big Creek Elementary. Last year, I completed my Tier 1 Leadership Certificate from North Georgia College and State University. My husband Jeff and I have a goldendoodle named Roxie and we live in Sandy Springs. We enjoy spending time at the beach and traveling to new places. A fun fact about me is I have an identical twin sister. I can't wait to get to know the New Hope students and families!

New Hope Elementary School (NHES) will be Forsyth County Schools' 23rd elementary school.

The campus sits on 42.5 acres on the west side of Castleberry Rd. It is designed to be 147,997 square feet and is built for 1175 students. New Hope Elementary will be an early start school.

Nighthawks are known for being very adaptable and resilient. The nighthawk is a smaller bird that people often underestimate, but when in large flocks, they form a spectacular sight.

The students of New Hope Elementary will flock together, adapt and excel, just like a nighthawk!
