Disclaimer: Inclusion in this directory does not imply endorsement by the Department of Public Safety. This list is not inclusive of all available services within the State of Hawaii. Agencies providing a variety of services may not be list in all relevant sections.

BACKGROUND

Department of Public Safety:

The Hawaii state **Department of Public Safety** (PSD) oversees the state's jails and prisons as well as a sheriffs division that provides law enforcement at state facilities, including court houses and airports. The mission of PSD is to provide for the safety of the public and state facilities through law enforcement and correctional management.

The department's operating budget for fiscal year 2016 was \$263 million, with \$240 million from the state's general funds. It has about 2,200 employees and is made up of three divisions:

Administration: Handles everything from training and staff development, personnel management, management of the operating budget, and capital improvements program budget.

Corrections: Oversees the state's jails and prisons. Represents 85 percent of the department's annual operating costs.

Law Enforcement: Includes the sheriffs division and narcotics enforcement division.

The department oversees four (4) jails and three (3) prisons in Hawaii that imprison roughly 6,000 of the state's citizens. That includes approximately 1,500 prisoners in mainland facilities.

Jails: Hawaii Community Correctional Center, Kauai Community Correctional Center, Maui Community Correctional Center, and the Oahu Community Correctional Center.

Prisons: Halawa Correctional Facility, Waiawa Correctional Facility, and the Women's Community Correctional Center. All three prisons are located on the island of Oahu.

The department submits annual reports to the Hawaii Legislature on its various programs.

The Directory:

The creation of this directory was influenced by an Offender Workforce Development Specialist (OWDS) Training Initiative which promoted collaboration between criminal justice agencies and community organizations to increase positive offender employment outcomes. In addition to the training, specific workgroups were created to address barriers related to offender reentry. Hence, the workgroup that laid the groundwork for this directory is called, "Pacific Resource." This directory is one of many strategies that will assist individuals in making a successful transition from prison/jail to the community. The development of this directory would not have been possible without the partnerships of and collaboration with many government and community agencies. Therefore, we would like to thank all those involved who worked tirelessly on this effort.

This updated 2017 version, has added the following sections; Native Hawaiian, Adults with Disabilities, LGBT Advocacy & Community, Military/Veteran, and Food & Clothing. In addition, there has been great effort to list services across all counties. Maintaining accurate and updated information is a difficult task. If you locate information that is inaccurate and/or out of date, we ask that you please contact our Re-entry Office at (808) 587-1386. Aloha and we hope you find this guide helpful.

FINANCIAL AID

Visit your school counselor for help in applying for financial aid.

To receive federal student aid, you must meet the eligibility requirements listed on the Free Application for Federal Student Aid (FAFSA) website. If you were convicted for the possession or sale of illegal drugs before you enrolled in school and were not receiving federal student aid, you are NOT automatically ineligible to receive financial aid. However, if the offense took place while you were enrolled in school and receiving federal financial aid, your eligibility will be suspended.

CLEAN & SOBER HOUSES - WOMEN

Maintaining an accurate list of clean & sober houses is challenging and there is no 'one place' to get a complete list of clean & sober houses.

When looking for a clean and sober house, be sure your living arrangements will help your recovery. Here are a few questions to ask:

- Cost/Rent?
- Can you meet possible roommates?
- Who is the team leader of the house?
- How many will be living at the house?
- How many in one room?
- What are the rules & requirements?

As a house member, you will be required to follow certain rules. These may include chores, meetings, attending bible study, etc. Before signing any agreements, be sure to think about all of the expectations the house has for its residents, and make sure that you are confident and willing to live by their rules. Always have a backup plan for your housing needs.

- If you owe money from past services with any of the above companies, you will need to pay them in full before they will allow you to start a new service.
- Research the best plan that works for you and your budget. Please note that some companies may do a credit check.
- Cash payments are accepted in-person at physical office locations. These companies also accept money orders, until you establish a checking account.
- Honolulu Community Action Program takes applications in June for utility assistance under their LIHEAP program. Call (808) 488-6834 for more information.

GET YOUR DRIVERS LICENSE

www.honolulu.gov/csd/dlicense.html

- Every person who drives any type of motorized vehicle is required to be tested and licensed. A Hawaii Driver's License is also required for motor scooters and mopeds.
- All driver licensing stations have a new statewide computer/camera licensing system. Satellite City Halls only process renewals and duplicates, using this computer/camera system.
- You must review and memorize traffic laws and rules of the road. You should study the Hawaii Driver's Manual prior to testing. Manuals are available at State libraries and Longs Drug Stores.
- If you are under treatment for alcohol or substance abuse, you are required to have a medical clearance to obtain a driver's license.

FINANCIAL SERVICES

BANKING & FINANCIAL INSTITUTIONS

A Bank is a safe place to put your money. Research your options. Sometimes banks don’t explain fees clearly. Credit Unions often have less fees than regular banks, but often have membership limits. Here are some questions to ask:

- Do they offer free checking accounts? If not, what is the minimum balance to avoid service charges? Are there other costs? Do you get free checks?
- How much is the overdraft fee? (This is the fee charged if you write a check that you don’t have enough money in your account to cover)
- What are the ATM fees?

HOW TO GET HELP FROM COMMUNITY RESOURCES

Here are a few tips to increase your chances of getting assistance & some places with internet access:

- **Get & organize your vital documents.** Keep them in an easy-to-find place. Most programs require documents that prove your name, address, income, and other information. Call ahead to find out what documents you need to bring.
- **Call ahead to find out the program's eligibility requirements.**
- **Be polite on the phone and in-person.** Greet the person, introduce yourself, state your request, take notes, ask questions

if you need clarification, and thank them when done. Dress appropriately (clean and neat) when you go to your appointment.

- **Maintain communication.** Follow through with your appointments. Inform the service provider beforehand if you cannot make an appointment or will not be using their services.
- **Be professional and stay calm.** If you feel you have been mistreated or are not getting the appropriate help, stay calm, and ask to speak to someone who can help you (example: a supervisor or manager).

State Public Libraries	Free, 1 hour per day. Library card required.
