

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer and participate in the classroom

We're a Team!

The parents and staff of North Hart Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies and parents added ideas to make them more specific. Meetings are held each year to review and update the T/P/S Compacts and make changes based on student needs and parent input. Parents are encouraged to provide input at any time.

If you would like to volunteer, participate, and/or observe in the classroom, please contact Haley Smith at (706) 856-7369.

2022-2023 Team Building Events

July

Kindergarten Camp - July 19th & 20th 12:00-3:00 PM
Meet the Teacher - July 29th 4:00-6:00 PM

Communication about Student Learning

North Hart Elementary School is committed to frequent shared communication with families about student achievement. Some tools available for effective communication include:

Daily Take-Home Folders

Student Agendas

Parent-Teacher phone calls/e-mail

Updated information on school website and current grades on Parent Portal
School-wide reminders via newsletter, texts, and phone messages
Parent-Teacher conferences in October and March as well as throughout the year

Do you have questions about your child's progress?

If so, contact your child's teacher by phone at (706) 856-7369 or email. Email addresses are listed on the school's website at nhes.hart.k12.ga.us

Our Goals for Student Achievement

District Goals

The Hart County Charter System is committed to academic excellence. The mission of the district is to prepare all individuals to meet tomorrow's challenges by providing quality educational opportunities today. The district has set the following goals for 2022-2023:

- The Hart County Charter System's College and Career Ready Performance Index (CCRPI) score will meet or exceed the state's CCRPI score.
- Students in the Hart County Charter System will demonstrate academic growth in the area of math as measured by state and local assessments.
- Students in the Hart County Charter System will demonstrate academic growth in the area of ELA (including reading, language, and writing) as measured by state and local assessments.

2022-2023 School Goals

North Hart Elementary School administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

- North Hart's College and Career Ready Performance Index (CCRPI) score will meet or exceed the state's CCRPI score.
- Students at North Hart will demonstrate academic growth in the areas of ELA*, math, and social studies as measured by state and local assessments.

*ELA includes reading, language, and writing.

Teachers of Fourth Graders

I understand the importance of the school experience to every student and my position as a teacher and a role model. I agree to:

- Provide parents with materials to use at home to practice addition/subtraction/multiplication/division, fractions, geometry and measurement, as well as reading comprehension, fluency, and other language skills.
- Offer six Parent/Family Engagement activities throughout the year, concentrating on language, math, social studies, and science skills taught in Fourth Grade.
- Provide students with writing activities in all content areas using the Lucy Calkins writing program showcasing student writing.

Parents of Fourth Graders

I want my child to succeed. I will encourage him/her by doing the following:

- Make learning fun at home. Use materials provided by the teacher to practice addition/subtraction/multiplication/division, fractions, geometry, and measurement, as well as reading comprehension, fluency, and other language and math concepts.
- Attend Parent/Family Engagement activities throughout the year or get information from my child's teacher if I can't attend.
- Ask your child to share his/her writing after completing their writing units.

Fourth Grade Students

It is important that I do my best. I know my parents and teachers want to help me, but I'm the one who must do the work. To help me do my best, I will:

- Do activities at home with my family to practice addition/subtraction/multiplication/division, fractions, geometry and measurement, as well as reading comprehension, fluency, and other language skills.
- Bring home our school notices about Parent/Family Engagement activities.
- Share my completed writing assignments with my parents after completing units.
