Task: Complete Learning Styles Inventory and Share Results on Discussion Board In Senator Up Course!

We are pleased to introduce Naviance Student – a comprehensive website that you and your student can use to make plans about colleges, and careers. Naviance Student is linked with Naviance, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

Naviance Student allows your student to:

- **Get involved in the planning and advising process** – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- **Research colleges** – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- **Research careers** – Research hundreds of careers and career clusters, and take career assessments
- **Create plans for the future** – Create goals and to-dos, and complete tasks assigned by the school to better prepare your student for future college and career goals.
- **Request Letters of Recommendations** - Add colleges and request teachers directly for recommendations in one place!
