### **First Steps for students interested in dual enrollment for the Summer/Fall 2020 semesters:**

- ◆ E-mail your high school counselor to virtually discuss Dual Enrollment (DE) opportunities.
- ◆ Once you have made contact with your counselor to discuss your plans/academic standing for DE, please access the application admissions link above for the college/university of your choice. You will have to request for a transcript to be sent to the college/university from your high school and any additional information that may be requested by the college/university.
- ◆ Remember, the testing requirement suspension is **temporary** (only for Summer/Fall 2020). However, the new DE rules/legislation require 10th grade students to have the required test scores as listed above. Students should still plan to take the ACT/SAT and/or ACCUPLACER once those opportunities are available again.
