

To the parents/families of our community,

To better assist students from home we recommend that students log on to Google Chrome with their Kahului Elementary Google accounts. By logging in, students will have access to school/class bookmarks, usernames, and passwords. In addition, our school has set up new grade level Google Classrooms which will contain weekly activities from all grade level homeroom teachers (in addition to the encore teachers) for all students to participate in.

Please follow the how-to guides below to help your child/children to sign in to (1) Google Chrome with their school Google account from home and also to (2) find/access grade level Google Classrooms for distance learning

## **(1) Logging into your Google Account**

NOTE: It is recommended that you use the Chrome Browser however any browser can be used.
