Answers

1) How do I register my company on the Supplier Portal?

1. Click on the "[Have you registered?](#)" link, located under the Supplier Login box.
2. Complete all required fields as indicated on the form provided.
 - a. CPS requires the TAX ID or FEIN # because it uniquely identifies your organization.
3. When you are finished, click "**Submit**".
4. If the information provided is valid & correct, you will receive an email with your username, temporary password and instructions to login.

2) I just registered for the Supplier Portal. How do I log on for the first time?

1. After the Registration process is complete, you'll receive a message from 'Oracle Workflow Mailer'.
2. The message will contain your username and a temporary password.
3. Visit the CPS Supplier Portal homepage (<https://supplier.csc.cps.k12.il.us/>)
4. Enter your username (e-mail address) & temporary password into the 'Web Supplier Login' (located at the top right corner of the page).
5. Click 'Connect'.
6. Once you've entered your credentials, you will be prompted to create a new password.

3) If my company is already registered on Supplier Portal, how do I add additional users?

1. **Navigation:** Go to Admin Tab
2. Click on the 'Contact Directory' hyperlink
3. Click the 'Create' button
4. Enter all applicable information into the applicable fields
5. Check 'Create User Account' if you wish to create a login username for an individual in your organization
6. An auto generated message will be sent to your email as well as the newly requested user's account with a randomly generated password.
7. If you need more clarification, refer to our training document: ['05 - Self-Service "Admin" Functionality'](#) contained in the documentation section.

4) What should I do if I forget my password?

1. Password Reset is now automated!
2. Click on the "[Lost Password?](#)" link, located under the Supplier Login box.
3. You'll be prompted to enter the username you're requesting to have the password reset for and your organization's CPS Vendor #.
4. If the information provided is valid and correct, an automated message will be sent to your e-mail with a reset password.
5. Enter your username (e-mail address) & reset password into the 'Web Supplier Login' (located at the top right corner of the page).
6. Once you've entered your credentials, you will be prompted to create a new password.

5) What should I do if I want to change my password?

1. Enter CPS Supplier Portal (<https://supplier.csc.cps.k12.il.us/>)
2. Enter username & password into 'Web Supplier Login' section.
3. Once logged in, look for the '[Preferences](#)' hyperlink located at the upper right corner of the screen.
4. Go to the 'Change Password' section (located in middle of the preferences screen).
5. Enter current password in the 'Old Password' field.
6. Enter password your desired new password into the 'New Password' field and enter again.
7. Click the 'Apply' button (located at the right corner of the preference screen).

6) Why can't I see the "User Policies Acceptance" check box?

1. This issue is related to the Java Applet being out of date.
2. CPS recommends version 6.0 and above be installed on your machine.
 - a. [Java Download \(all operating systems\)](#)

7) Why haven't I received my reset password?

1. The password reset notification may not be sent out for several reasons.
2. The first issue may be: The CPS Supplier username isn't valid (end dated, not valid or the email address provided is not resolvable).
3. The second issue may be: The vendor # was not entered correctly.
4. The password reset notification may take about 10 – 20 minutes to arrive.

8) What are the minimum requirements for Web Browsers and Adobe Reader?

1. Internet Explorer version 7.0 & above
 - a. [Internet Explorer Download](#)
2. ADOBE Reader version 7.0 & above
