A creed is a written statement of belief. Use the FFA Creed as a guide to help you write your own creed. Make sure your creed:

- Is 3-5 paragraphs long
- Begins each paragraph with “I believe” or “We believe”
- Is relevant to your topic
- Is classroom appropriate
- Is REALLY something you believe in
- You may use the FFA Creed as a guide

Option 2:

Create your own Emblem!

An emblem is a design that functions as a symbol of an individual or a group. Use the FFA Emblem as a guide to help you design your own emblem AND identify why you chose each symbol on your emblem as well as its meaning. You may draw your emblem or use clip art on the computer to create your emblem. Make sure:

- Your emblem has at least 5 symbols or parts
- Each symbol is something meaningful to you
- Each symbol on the emblem is classroom appropriate
- You identify each symbol and its meaning
- You may use the FFA Emblem as a guide...yours does NOT have to be the same shape.
