

Creatitve Creatures Project

Mr. Thompson Art Class

Objective:

- 1) Create four idea sketches of creatures using pencil in your sketchbook or a piece of 8.5x11 paper.
- 2) Choose one of the four creatures and make a large 8.5x11 drawing of the creature in its environment. Include some of the elements of art. (no color)
- 3a) Write an explanation of how you created the creature and what type of environment it lives in.
- 3b) Write and explanation of which elements of art you used and which one you like the most.
- 4) Take pictures of four sketches and final piece

Materials:

No. 2 pencil or Mechanical pencil
Sketchbook or 8 1/2x 11 paper
Eraser

Examples:

See Worksheet attached for ideas
Or you can create your own creature.
