

Comprehensive School Improvement Plan

Elite Scholars Academy 2016 –2017

Vision Statement

The vision of Clayton County Public Schools is to be a district of excellence preparing ALL students to live and compete successfully in a global society.

Mission Statement

The mission of Clayton County Public Schools is to be accountable to all stakeholders for providing a globally competitive education that empowers students to achieve academic and personal goals and to become college and career ready, productive, responsible citizens.

District-Wide Expectations for Comprehensive School Improvement Plans

- Utilize the schools' pertinent data such as CCRPI data to make instructional decisions and prioritize strategic actions and monitoring protocols.
- Performance objectives should be written as specific, measurable, attainable, realistic, and timely (S.M.A.R.T.) goals using goal setting formulas.
- Include action steps that address Clayton County Public Schools' instructional priorities: **Literacy Across the Curriculum**, **Numeracy**, **Integrating Technology**, and **Critical Thinking** in the comprehensive plan.
- Action steps for training, weekly collaborative planning, implementing, and refining **Explicit Instruction** need to be included.
- A formative assessment system with data analysis should be included in the action steps for all applicable goals.
- Plan action steps for necessary interventions based on academic and behavioral data (i.e. subgroup data, placed or retained students, reading interventions, and the Behavior Big 7 Report).
- Consult the Technology Department before purchasing hardware or software to support an action step.
- Formatting: Times New Roman, 10 font, updated revision date
- Schools should review Comprehensive School Improvement Plans regular in various school meetings such as administrative, leadership, data, grade level and collaborative planning meetings and make revisions as needed. **District level reviews will occur quarterly.**
