September 16, 2022

Dear Keone'ula Parent(s)/Guardian(s):

Keone'ula Elementary School will be restarting Cub Clubs after being on hold for three years. Cub Clubs is an after school enrichment program. Session 1 runs from November 1 to December 9, 2022. Session 2 from January 23 to March 3, 2023. Students will have the opportunity to participate in **one session** of the many clubs run by staff members.

Attached is an application/consent form along with a short description of the various clubs available, targeted grade levels, and meeting days/times.

Applications will only be accepted in the **office** (not by classroom teachers), from **Monday, September 19 through Thursday, September 29, 2022**. They will only be accepted by students before school-7:30 am-7:45 am, during recess, and after school until the office closes at 4:00 pm, or by adults throughout the work day from 7:30 am-4:00pm. Incomplete applications will not be processed.

Space is limited to 20 students per club per session. Availability is on a first-come, first-served basis. Notification letters will be sent home by October 17, 2022 regarding the ability for participation. Students who do not make it into a club will be waitlisted and may have an opportunity to participate if availability arises throughout the year.

Attendance is crucial for the success of Cub Clubs. 3 unexcused absences from the club may result in removal, so please be sure to find a club that accommodates your child's and your schedule.

We look forward to helping your child expand his/her knowledge beyond what is taught during the school day. Join a club, learn new skills, and have fun!

If you have any questions, please feel free to contact Natascha Berinobis, Vice Principal, at 307-2100. Thank you!

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Taga", is written over the word "Sincerely,".

Paul Taga  
Principal

# KEONE'ULA CUB CLUBS

Take a look at all the clubs being offered at Keone'ula Elementary School!

Choose your top three and fill out the attached Consent/Application Form and return to the OFFICE by September 29, 2022. Your child will be selected for one of the two sessions based on space availability. Each club will be limited to 20 students per session. All others will be added to a waitlist and will be notified should space become available.

**Session 1: November 1 – December 9, 2022**

**Session 2: January 23 – March 3, 2023**

Students can only drop off forms before school 7:30 – 7:45 am, during recess, and after school until 4:00 pm. Adults can drop off forms any time during office hours of 7:30 am – 4:00 pm. Incomplete forms will not be processed. Students who do not get into a club will be waitlisted and may have an opportunity to attend if availability arises throughout the year.

## Arts, Crafts, & Exploration!

Advisor: Ms. Kelly      Grade levels: K - 1  
Days: Thursdays      Time: 2:15-3:30p  
Location: E102

Get your hands messy and ready to explore! Create your own masterpieces while practicing basic skills like cutting, gluing, and painting. Learn about colors and texture by exploring with materials like yarn, popsicle sticks, and even shaving cream! Take home your creations and share them with someone you love!

## KES Dance Club

Advisor: Mrs. Yadao-Payad      Grade levels: K-2  
Days: Tuesdays & Fridays      Time: 2:15-3:15p  
Location: G109

Do you love to get up and dance? This is the club for you! You will have the opportunity to show off your creativity and dance moves with your friends. During our sessions, you will do team building activities, stretching exercises, and learn fun new dances. You might even make your own dance and share it with all of us. Let's get those dance shoes on and be creative!

## LEGO Club

Advisor: Mrs. Roque      Grade levels: K-1  
Days: Thursday      Time: 2:15-3:15p  
Location: E109

Students will show their creativity as they build Lego creations! Each week will offer project ideas and a time at the end of class for Show & Tell. There will also be some building challenges scattered throughout the quarter. The Lego Club will offer opportunities for students to problem solve, work in collaborative groups and most importantly showcase their creativity.

## LEGO Club

Advisor: Mrs. Oka      Grade levels: K-1  
Days: Thursday      Time: 2:15-3:15p  
Location: E110

Students will show their creativity as they build Lego creations! Each week will offer project ideas and a time at the end of class for Show & Tell. There will also be some building challenges scattered throughout the quarter. The Lego Club will offer opportunities for students to problem solve, work in collaborative groups and most importantly showcase their creativity.

## Drawing & Design

Advisor: Mrs. Mauricio      Grade levels: K-2  
Days: Thursday      Time: 2:15-3:30p  
Location: F101

Drawing & Design will offer students the opportunity to learn to draw simple pictures. Drawings will use basic shapes and lines to create works of art. This club will also take student's drawings and turn them into products created with different mediums such as stickers, vinyl, wood chip board, and more!

### **Cooking 101**

Advisor: Ms. Okamoto      Grade levels: K-5  
Days: Monday & Tuesdays      Time: 2:15-3:30p  
Location: E103

Students will be learning the basic skills of preparing and cooking different ethnic foods. Foods that students will cook will be appetizers, breakfast food, main dishes, side dishes, desserts, and etc. Students will also be learning valuable life skills. Such as learning to wash rice, learning different cutting techniques, measuring, preparing, and cooking.

### **Storybook STEM**

Advisor: Mrs. Creamer      Grade levels: 2-3  
Days: Tuesdays & Thursdays      Time: 2:15-3:15p  
Location: F104  
Session 1 only Nov 1 - Dec 9

Storybook STEM club will review essential concepts in reading comprehension, vocabulary, grammar, math, science, and engineering! Each week, we will read a new read aloud. We will use that mentor text to review academic skills and complete STEM challenges! We will get to do hands-on STEM projects like the "sticky structure", "flying machine", and "tower of books"!

### **K-Pop Crafts**

Advisor: Mrs. Morgan      Grade levels: 2-5  
Days: Tuesdays & Thursdays      Time: 2:15-3:30p  
Location: Library

Do you like K-POP music like BTS, TXT, Blackpink, and Enhypen? Do you also like to do arts and crafts? Well, this Cub Club might be the one for you! This Club will combine your love of K-POP music and crafts. Students will be using various art media (paper, cardboard, paper mache, glue/glue gun, markers, paint, etc) to create origami, school supplies, bracelets, keychains, and also a fan club light stick! You'll learn more about the BT21 characters and have lots of fun at the same time!

### **Crazy 8's Math Club**

Advisor: Mrs. Duldulao      Grade levels: 1-2  
Days: Mondays      Time: 2:15-3:15p  
Location: G101

Crazy 8s is a recreational after-school math club that helps kids enjoy the math behind their favorite activities! We're nothing like your usual math club. With Crazy 8s kids will build glow-in-the-dark structures, crack secret spy codes and play games like Toilet Paper Olympics.

### **K-Pop Crafts**

Advisor: Ms. Uytingco      Grade levels: 2-5  
Days: Tuesdays & Thursday      Time: 2:15-3:30p  
Location: Library

Do you like K-POP music like BTS, TXT, Blackpink, and Enhypen? Do you also like to do arts and crafts? Well, this Cub Club might be the one for you! This Club will combine your love of K-POP music and crafts. Students will be using various art media (paper, cardboard, paper mache, glue/glue gun, markers, paint, etc) to create origami, school supplies, bracelets, keychains, and also a fan club light stick! You'll learn more about the BT21 characters and have lots of fun at the same time!

### **Board Game Strategies**

Advisor: Mrs. Saba      Grade levels: 2-5  
Days: Tues. grades 2 - 3      Thurs. grades 4 - 5  
Time: 2:15-3:15p      Location: H108

Board Game club is an opportunity for students to use strategic thinking, analyze options, utilize decision making skills and increase cognitive function. By playing board games, students can practice values of honesty, fairness, respect, empathy, cooperation, trust and compromise. Additional benefits include social development, emotional health, and creating friendships while learning. Tuesdays grades 2-3 and Thursdays grades 4-5

## 100 Mile Club

Advisor: Mrs. Gonzales      Grade levels: 1-5  
Days: Monday, Tuesday, & Thursday  
Time: 2:15-3:30p      Location: F204

This running and walking club will welcome students of all abilities! It will focus on basic running form, warm-up, stretching, endurance, pacing, and hydration. Students will strive to be able to run one or more miles without stopping, as well as, trying to reach 100 miles by the end of the school year.

## Science Explorers

Advisor: Ms. Barr      Grade levels: 4-5  
Days: Tuesdays & Thursdays      Time: 2:15-3:30p  
Location: H103

Science explorers is a club intended to fuel students' curiosity through hands-on activities. Students will gain an introduction to STEM topics like chemistry, physics, engineering, and mathematics. By having a group of 4th and 5th graders, it will allow for a unique collaboration, ability to bounce off each other's ideas, and test each other's theories which will lead to unforgettable discoveries and a new understanding of the world around them.

## Performing Arts

Advisor: Mrs. Yonemori      Grade levels: 4-5  
Days: Tuesdays & Thursdays      Time: 2:15-3:15p  
Location: H107

Do you enjoy acting and performing with others? The Performing Arts Club might be the perfect fit for you. We will be performing plays based on fractured fairy tales. Instead of "Goldilocks and the 3 Bears" it's called "Goldilocks and the 3 Aardvarks". Cinderella is the "Cinder...Really, the True Story of Cinderella" The skits are funny and students love performing it. These plays are great for fluency and practicing reading with expression.

## The Art of Storytelling with PIXAR

Advisor: Ms. Richards      Grade levels: 4-5  
Days: Thursdays      Time: 2:15-3:15p  
Location: F202

Students will practice identifying and analyzing story elements while they watch Pixar short films, movie clips, and movie trailers. Student knowledge of literary elements will be strengthened as they identify genre, determine theme, make inferences, analyze characters, identify plot elements, analyze the setting, and sequence events. Students will also take a behind-the-scenes look at how Pixar artists do their jobs. They will be able to animate bouncing balls, build a swarm of robots, and make virtual fireworks explode.

## Beginners Volleyball Club

Advisor: Ms. Coffin      Grade levels: 4-5  
Days: Tuesdays & Thursdays      Time: 2:15-3:30p  
Location: F101/ f-Field

Are you interested in learning more about volleyball and have never played before? That's perfect! Just join this club and we will help you get started. We will be going over basic skills of serving, passing, as well as elementary volleyball rules and positions. You will even have a chance to play an actual game of volleyball. Hope to see you out there!

## Editing Exploration

Advisor: Mrs. Laufou      Grade levels: 4-5  
Days: Tuesday & Thursday      Time: 2:15-3:30p  
Location: Library Media Room/ Computer Room

Do you want to explore editing videos using iMovie? Here you will have a chance to create content from the planning stage to the final product. You may even get a chance to be featured in Keone'ula's monthly announcements!

Keone`ula Elementary School
