

Current Electricity – Lesson 3

YOUR TASKS

Task 1: Two Quizzes: Go to the following link

http://glencoe.mheducation.com/sites/0078617731/student_view0/math_practice.html

Click on the Math Practice (under Textbook Resources) and you will find two quizzes under Chapter 1

Do the first Quiz by using the $E = IR$ equation, in different forms ($R = E/I$ and $I = E/R$)

Do the second Quiz by using the equation, $W = IE$ in different forms ($I = W/E$ and $E = W/I$)

Email me your results

Task 2: Take the Quiz at the following link and Email me your results
