

Welcome to

2D Art

Meet Mrs. Mills

I am so excited to create and learn with you this year!

I was born and raised in Portugal. I am married to my wonderful husband Billy. Together we have 3 daughters, Lydia (16), Lia (11), and Lily (8). Gaston is our awesome dog, and Beatrice is our pet snake.

My goal this year is to provide an environment where **ALL** students achieve their fullest potential through challenging, purposeful learning opportunities where lifelong learning, and **Art** becomes a passion!

Our school theme for the 2021/2022 school year is *Sailing Into New Adventures*. We will be exploring all kinds of fun projects, but most importantly, I am committed to help you develop skills, and positive character traits that will last you a lifetime.

Course Description

- ▶ This class is designed to meet the needs of beginning art students. Students explore media and techniques used to create a variety of 2-D artworks through developing skills in drawing, painting, printmaking, and collage. Students manipulate the structural elements of art and design principles.

- 
- A dark grey arrow points to the right from the top left corner. Below it, several thin, curved lines in shades of blue and grey sweep across the left side of the slide.
- Investigation of artworks from Western and non-Western cultures provide a means for students to expand their understanding and appreciation of the role of art in global culture.

- 
- Student artists use an art criticism process to evaluate, explain, and measure artistic growth in personal or group works. This course incorporates hands-on activities and consumption of art materials.

- 
- Students who are confident in their drawing ability as well as students who feel they are unable to draw are encouraged to express themselves to their utmost potential.

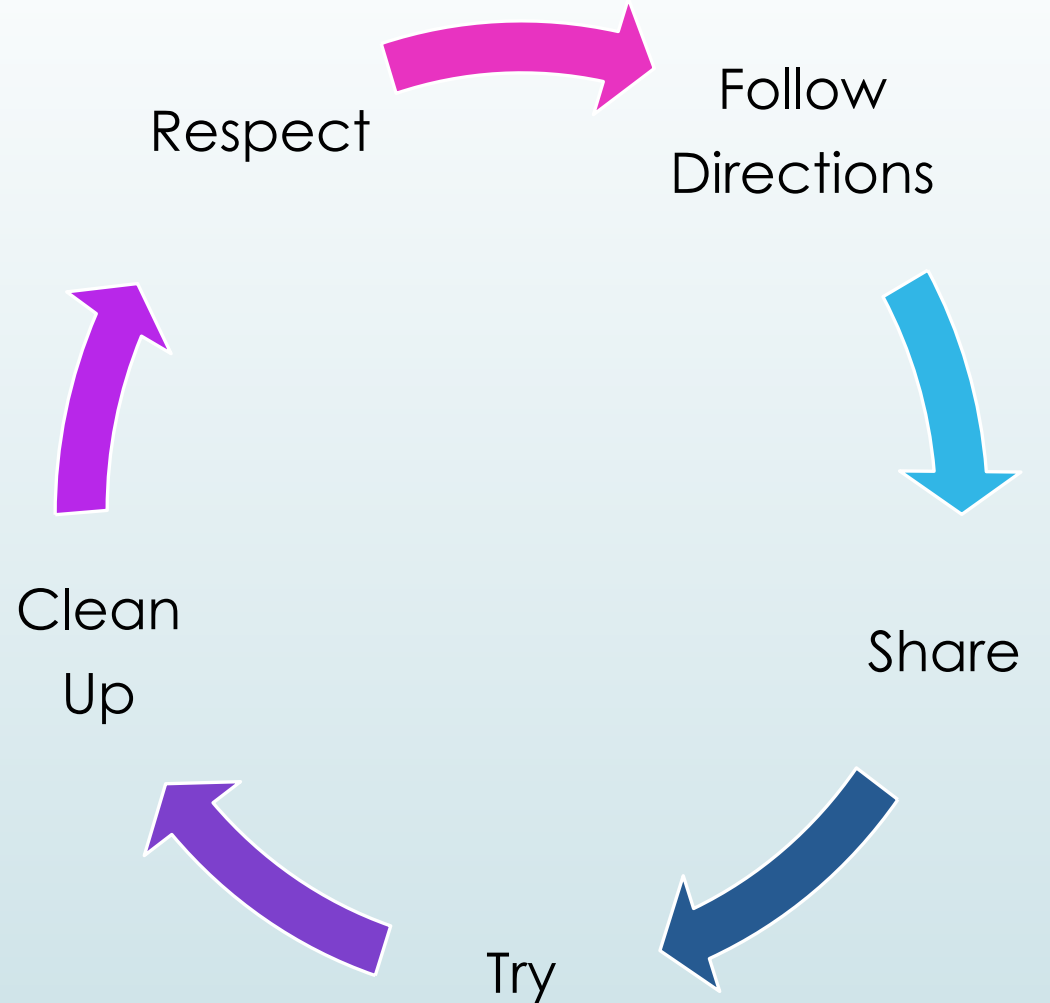

Expectations and Goals

- The goal of this class is to meet the Art 7th Grade Florida Standards, while also being an active member of a respectful, nurturing learning community. Helping students become passionate, life-long artists is the ultimate goal. I encourage all of my students to imagine, and welcome new forms of art.

Class Rules

- **ATTITUDE** - Positive attitude, manners, & word choice. Be a problem solver.
- **RESPONSIBILITY** – Responsible for myself, your belongings & being prepared every day.
- **THINK** - Always think before you act or talk: Is this beneficial? Is it right? Is it kind to all?
- **INTEGRITY** - Be honest. Own your mistakes & learn from them.
- **SAFE & CLEAN** - Follow policies & procedures.

HAC 03

Please be advised that Home Access Center is not available for all district schools at this time.

If you are unable to log in, or do not see all of your children listed in HAC, the school is still entering information for the upcoming school year.

HAC will become available for the school as soon as this process is completed.

We appreciate your patience and look forward to a great school year!

A dark grey arrow points to the right, positioned above the letters 'PBIS'. Several thin, light blue lines curve upwards from the bottom left corner of the slide, passing behind the 'PBIS' text.

PBIS

What is School-wide PBIS?

Positive Behavior Interventions and Supports (PBIS) is a new way to think about behavior, based on understanding why problem behaviors occur. The PBIS process results in the creation of effective intervention plans that will impede problem behaviors, teach new skills, and create support systems for the student.

PBIS provides a positive and effective alternative to the traditional methods of discipline. PBIS methods are research-based and proven to significantly reduce the occurrence of problem behaviors in the school, resulting in a more positive school climate and increased academic performance. PBIS is consistent with the Individuals with Disabilities Education Act, which advocates the use of positive behavior interventions and school-based disciplinary strategies that reduce or eliminate the need to use suspension and expulsion as disciplinary options.

PBIS aims to teach and reinforce expected behaviors often in order to create a safe learning environment.

Thank you for your time!
