

The logo features a large, stylized longhorn head in the background. The head is dark with a lighter, reddish-brown outline. The horns are long and curved, extending outwards. The text "LAMBERT LONGHORNS" is superimposed on the head. "LAMBERT" is on the top line and "LONGHORNS" is on the bottom line. The text is in a bold, serif font, colored red with a white outline. The background is a gradient of red and orange, with a darker red at the bottom. There are four small longhorn head icons in the corners: top-left, top-right, bottom-left, and bottom-right.

LAMBERT LONGHORNS

Dual Enrollment - WHAT IS IT?

- Allows students to take college coursework for credit towards both high school graduation and postsecondary requirements.
- The program is offered during all terms of the school year; fall, spring and summer semesters

ELIGIBILITY

- Students entering 9th, 10th, 11th, or 12th grade at an eligible high school
- Students who meet college entrance requirements
 - GPA, SAT/ACT scores, age or grade levels
- Students who receive counselor's recommendation
 - Demonstrates initiative, self motivated, with good organization skills
 - Ready for college level classes

BENEFITS OF DUAL ENROLLMENT

- Prepare for transition to college
- Earn college credits while in high school
 - Up to 15 credit hours per semester
- Reduce cost of attending college
 - Program pays for tuition, books and mandatory fees
- Improve GPA – 1 quality point added for Dual Enrollment courses
- Considerations
 - AP vs. Dual Enrollment College Specific
 - Transferability

WHAT ABOUT HOPE?

- Courses taken through Dual Enrollment do not apply to HOPE course limits. (HOPE applies to up to 120 credit hours)
- Dual Enrollment core courses receive a .5 quality point for HOPE GPA calculations

Steps of the Dual Enrollment process

1. Earn admission to the Dual Enrollment institution.
2. Complete the GA Futures Application online through www.gafutures.org
3. Meet with your Lambert High counselor to map out your courses and complete the Student Participation Agreement.
4. Register for your college dual enrollment courses through the college procedures.

Student Participation Agreement

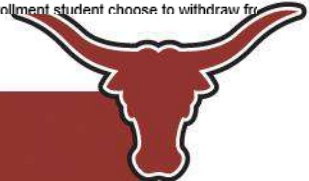

➤ Student Participation Agreement (SPA)

➤ Why is it needed?

➤ Funding

➤ Course Verification

FORSYTH COUNTY SCHOOL DISTRICT	
Student's Name _____	Date of Birth _____
Student's High School Name: _____	
Student's School System Name: _____	
Anticipated Graduation Date _____	Current Grade Level _____
Dual Enrollment Student Participation Agreement FY 2019	
The Dual Enrollment program provides opportunities for eligible students in grades 9-12 to enroll part- or full-time in postsecondary institutions and take college courses to earn both high school and college credit. Eligibility concludes at the end of the spring term of student's 4 th year of high school <u>whether or not</u> the student graduates.	
<i>Note: Copies of this completed form <u>should</u> be provided to the students, parents/guardians, and respective postsecondary institution(s).</i>	
<i>Note: This completed form <u>should not</u> be forwarded to the Georgia Department of Education or the Georgia Student Finance Commission.</i>	
I. Dual Enrollment Requirements (Reviewed and initialed by Parents/Guardians)	
_____	The student's Individual Graduation Plan has been updated to reflect the plan of study through the DE program.
_____	Student must remain in "Good Academic Standing" at both the college and High school to remain in the program.
_____	The eligible Dual Enrollment <i>student must contact the high school counselor for approval</i> before <u>any</u> course/schedule change can be made during the semester/quarter. Failure to notify the high school counselor of course changes could affect the students' ability to remain in the Dual Enrollment program. All Dual Enrollment courses and the course grade will become part of the student's high school permanent transcript.
The student and parent(s) or guardian(s) acknowledge that should a participating Dual Enrollment student choose to withdraw from	

GA Futures Application

The GA Futures Application for Dual Enrollment must be completed for each term of Dual Enrollment participation.

LEARN LEAD SUCCEED

Dual Enrollment Checklist

- ☐ Speak with your counselor
- ☐ Dual Enrollment Student Participation Agreement Form
- ☐ UNG application for admission (\$30 fee not required)
- ☐ Official transcript
- ☐ Official ACT/SAT scores
- ☐ Verification of lawful presence

***UNG only accepts rising juniors and seniors**

Approved Dual Enrollment Courses

Dual Enrollment covers courses offered in the following fields:

Business & Computer Science

Fine Arts

English/ Language Arts

Foreign Language

Health & Physical Education

Social Science

Family & Consumer Sciences

Healthcare Science

Engineering & Technology

Mathematics

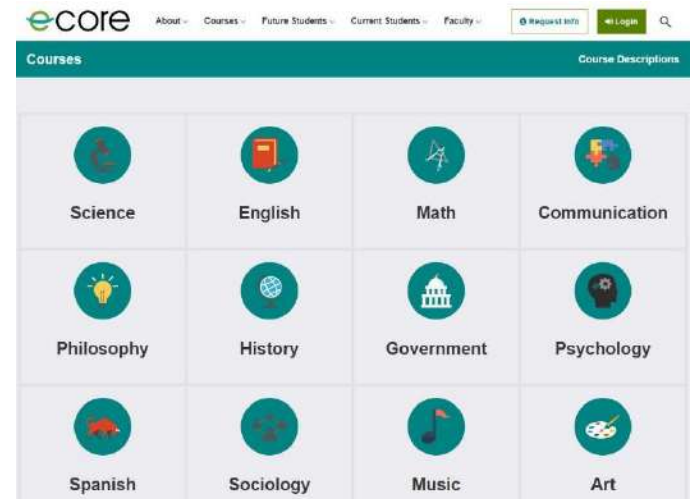

Education

Science

UNG Dual Enrollment eCore

- Fully online
- Allows for flexibility in schedules
- 30 classes to choose from
- \$28 per test
 - (Unless proctored by the high school)

Benefits of Dual Enrollment

- ✓ Does not count against 127 HOPE or Zell Miller credit hours cap
- ✓ Tuition covered up to 15 hours per semester
- ✓ Get a jump start on college
- ✓ Immersed in college life, while still having opportunity to enjoy high school activities
- ✓ Courses apply to high school and college credit
- ✓ Online classes available

Opportunities are Endless at UNG!

- Participation in clubs and organizations
- Use of UNG resources
- Attendance of sporting events
- Honors Program
- Working in the tutoring centers
- Undergraduate Research
- Academic Honor Societies
- Career Services
- Summer residential Cyber Security Program (Dahlonega)
- Serving as SI (Supplemental Instruction) leaders

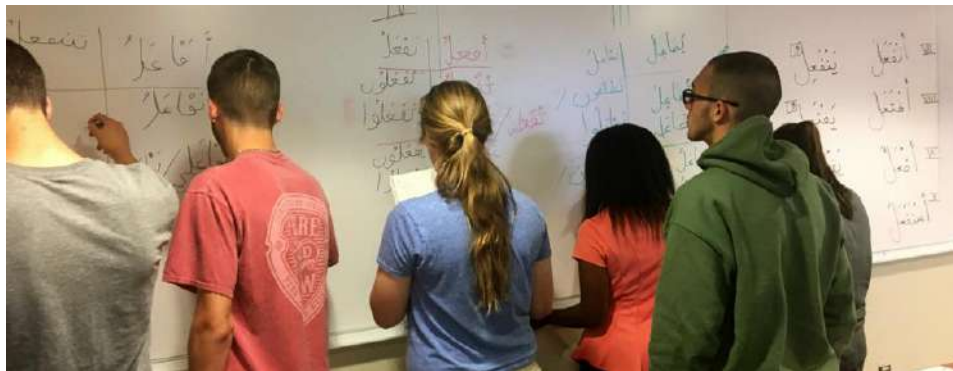

Summer Language Institute (SLI)

- Summer residential program for rising high school sophomores, juniors and seniors
- Located on the Dahlonega campus
- Earn high school credit

**Study one of these
languages!**

Arabic, Chinese, Korean,
Russian, German, Portuguese

Apply Now for Summer 2019!

WHY Dual Enrollment?

Finish College Earlier!

- Earn college credit *while in high school* (ability to earn up to an associate)!
- Start your job search earlier or enter a graduate program earlier!

Save Money!

- Dual Enrollment college courses are paid for which saves you money later!
 - *Why not get 1-2 years of college paid for?*

How Much Does it Cost to Participate??

Dual Enrollment Pays For:

- Tuition (15 credit hours max per semester)
- Mandatory fees
- Required books

What Will **YOU Pay For:**

- Course specific fees, i.e. lab fees (typically around \$50 for Natural Science Lab)
 - Art courses, language course, science course

Requirements to Remain as a Dual Enrollment Student

To continue from semester to semester:

- Students must maintain a **minimum cumulative UNG GPA of 2.5** at the end of each semester beginning with the second semester of enrollment.
- Students who **earn less than a 2.0 in their first semester** will lose eligibility for the program and may not continue.

UNG Dual Enrollment Student Expectations

- Appropriate studying, time management & conduct
- Spring Break (must follow UNG's academic and holiday calendars)
- Mandatory class attendance and importance of not being tardy (UNG Dual Enrollment absence policy)
- Minimum cumulative UNG GPA of 2.5
- All grades earned at UNG transfer back as letter grades and figure into high school GPA as calculated by the high school counselor
- High school IEP/504 and other plans do not automatically carry over without notification. Students with these plans are encouraged to seek assistance from UNG's Student Disability Services office.

Update from Dual Enrollment to Traditional Freshman

No need to reapply or pay application fee!!

Two Easy Steps

1. Complete an Admissions Intent Form for Dual Enrollment students no later than **June 1st**!
2. Send in a current high school transcript

Admission into the bachelor's degree program as a freshman is extremely competitive and not guaranteed if a student is dual enrolled and wishes to continue at UNG as a freshman.

DUAL
ENROLLMENT

@ LANIERTECH

LIFE AT LANIER TECH

A photograph of three students, two women and one man, working together at a table. The woman on the left has long blonde hair and is looking down at a large white sheet of paper. The man in the middle is partially obscured and is also looking at the paper. The woman on the right has dark hair and glasses, wearing a red shirt, and is pointing at the paper. The background shows a window and a light fixture. The text "Learn MORE" is overlaid in the center of the image, with "Learn" in light blue and "MORE" in dark blue.

MORE

WHAT IS DUAL ENROLLMENT?

The Dual Enrollment program provides eligible high school students the opportunity to take college courses to satisfy their high school graduation requirements while, at the same time, earn college credits

THE BENEFITS OF DUAL ENROLLMENT?

- Free tuition, textbooks, and mandatory fees (course specific supplies, lab fees, & transportation ARE NOT INCLUDED)
- Students can attend classes 3 semesters per year (Fall, Spring, Summer)
- Students can take up to 15 credit hours per semester
- Dual Enrollment courses do not count against the future HOPE Scholarship/Grant cap hours
- Allows students a head start in the college experience and college credit
- Saves money towards a college degree
- No residency requirements

THE LANIER TECH ADVANTAGE

- LTC is Accredited by SACSCOC
- Students in grades 9-12 can apply
- LTC does not require a minimum GPA, SAT/ACT score, or a copy of your high school transcript for entry
- LTC has 5 campus (Hall, Forsyth, Dawson, Barrow, Jackson) plus online class options
- LTC has 42 majors to choose from (Degree, Diploma, Certificate options)
- LTC offers 28 general education courses (Articulation Agreement with USG)
- Students can take academic college-level courses and/or career and technical courses
- LTC offers small class sizes

42 PROGRAM AREAS

THREE OPTIONS (CERTIFICATE, DIPLOMA, DEGREE)

Some Programs Include:

- Accounting
- Business Admin
- Business Management
- Horticulture
- Early Childcare
- Nurse Aide Certificate
- Computer Information Systems
- Criminal Justice
- Design and Media Production
- Interiors
- General Education (Degree Level Core)

42 PROGRAM AREAS

THREE OPTIONS (CERT, DIPLOMA, DEGREE)

- Auto Tech
- Electrical Systems Tech (age requirement -16)
- Cosmetology (beyond Shampoo Tech, there is a \$700 kit required)
- Welding (VERY limited space!)
- Medical Assisting (age requirement – 17, must take core first)

STUDENTS EXPECTATIONS

Students:

- Are expected to conduct themselves in an orderly and cooperative manner
- Are expected to attend all scheduled classes & complete assigned work on time (communicate with professor)
- Must maintain a minimum 2.0 GPA
- Must maintain a 67% completion rate
- Should be self-disciplined due to the rigor of college coursework
- Should dedicate a proper amount of study time to their coursework (GRADES STAY WITH YOU!)
- Are required to return books after each semester
- Will receive letter grades which will be submitted to their high school

ADMISSIONS CONSIDERATION

How do I apply?

1. Meet with your high school counselor and complete the Student Participation Agreement (SPA) & signature requirements
2. Submit the online LTC admission application available at www.laniertech.edu – for Spring/Summer 2019. Application deadline for spring term – November 7th
3. Pass the admissions test (ACCUPLACER) *or* submit official ACT or SAT scores or other acceptable readiness documents
4. Complete the Dual Enrollment funding application at <https://www.gafutures.org/>
5. Attend an orientation & registration session with a Dual Enrollment Coordinator

COLLEGE RESOURCES AVAILABLE

- Disability Services
- Career Services
- Library & Computer Labs
- Campus Events & Student Activities
- Clubs & Organizations
- TCSG Education 100% Guarantee
- Tutoring

**ANY
QUESTIONS?**

“The Technical College System of Georgia and its constituent technical colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all TCSG and technical college-administered programs, federally financed programs, educational programs and activities involving admissions, scholarships and loans, student life and athletics. It also applies to the recruitment and employment of personnel and the contracting for goods and services.”

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website at, <http://www.laniertech.edu/GE.aspx>.”

- ✓ Mercer University
- ✓ Georgia State University
- ✓ Thomas University
- ✓ Valdosta State University
- ✓ Georgia College and State University

GMC Online Campus

Functions as independent campus in the GMC system.

Fully staffed with administration, admissions, advising, faculty, etc.

All degree programs delivered 100% online in an asynchronous modality.

Educating over 3,000 students each term.

Five terms of eight weeks that fit inside a traditional high school schedule.

Faculty that are dedicated to teaching not research.

How Our Partnerships Work

1. You select the students.
2. You select the course offerings.
3. We provide all admissions, financial and advising counseling on your schedule.
4. We place your students into cohorts.
5. You schedule the courses into the students' school day.
6. We deliver quality courses by dedicated faculty.
7. We work together to push students to their full potential.

Our Partnership Difference

1. We offer flexibility.
2. We allow your students access to all programs.
3. We believe that your active involvement is crucial to student success.
4. We bring our academic programs and quality to your school.
5. Staying on campus allows students to have the high school experience.

We Adapt to You

Commitment to Student's Success

Committed, Caring Faculty

Our Faculty have all been trained in student-centered learning, delivering content and skill-building.

Our faculty hold at least a master's degree, while many hold specialist and doctoral level degrees.

Many of our faculty were high school instructors before becoming a professor; there are others who still teach at the high school level while serving GMC Online.

Opportunities for Cohort Learning

Online Cohorts for YOUR Students

Our cohort programs protect the integrity of the learning environment YOU have established by keeping your students in the same courses so that they can use each other as learning resources.

We reach out to your school to recruit qualified faculty to lead these cohorts when possible.

Some GMC DE cohorts also include on ground support from local personnel, especially if the school can provide qualified faculty to lead the cohort.

We have seen higher than normal success rates due to this approach.

Round the Clock Resources

We provide “Round the Clock” resources for our students.

24 hour/7 days per week live tutors using SmarThinking.com

Students receive unlimited free tutoring via SmarThinking.com, courtesy of GMC.

Students have access to the GMC Online library 24/7.

GMC’s Online Librarian, Ryan Taylor, is also available to help students with research questions and projects.

We provide library guides for quick reference; these guides give students great direction on how to approach their research.

Transparency and Communications with Partners

We do not subscribe to the “They’re college students now, so we can not communicate with you” mentality.

We are your partners, not your obstacle.

We respect the fact that these are YOUR students, and we are sharing this opportunity with you to shepherd them in their journey.

Our experience has been that when GMC partners with you, students benefit the most.

Counselor Check-Ins and Updates

We believe that timely, frequent feedback, not only to the student, but also the counselors, is vital to the success of your students and the DE program.

Each week, my office offers a “check-in” where student’s current average is provided to the counselors at each partner school.

Counselors are encouraged to contact the student’s advisor to work with us in offering constructive feedback and positive direction to struggling students.

We openly communicate with counselors from the partner schools to ensure there are no surprises and there are ample opportunities for early intervention.

Next Steps

Contact your counselor for more information and sign up for upcoming testing and advising days.

Complete a GMC application, send in your transcript, test scores and participation agreement.

Complete a GA Futures application.

WELCOME TO THE PANTHER FAMILY!

QUESTIONS?

GEORGIA STATE UNIVERSITY

Most Common Questions

- Can colleges set an age requirement? **Yes, up to individual college.**
- How many terms can a student participate? **Three per year, fall, spring, summer.**
- If a student is full-time at the high school can they still take courses through DE? **Yes, there is no limit to the total number of courses taken except 15 hours per college institution.**
- Do they have to take EOC exams? **With the exception of 9th Grade Literature and Composition, Algebra I or Coordinate Algebra, Analytic Geometry or Geometry, and Biology, students are now exempt from taking the Georgia Milestones End-of-Course assessment.**
- Can they earn a full Carnegie unit of credit for only one semester of DE instruction? **Yes, if the DE college course is a 3 or more hour college class.**
- Are DE students guaranteed a parking space at LHS? **No, Dual Enrollment does not guarantee them a parking space!**

Most Common Questions

- Can students get duplicate credit for a DE course they have already earned credit for at the high school? **Yes, but only as elective credit and this only applies to core courses.**
- **Can a student withdraw from a DE course?** **Yes**, a student must **FIRST** contact the high school counselor before taking any **WITHDRAWAL** action. If the decision is reached to allow the student to withdraw or drop a course, then the student must return to the high school and be enrolled in the matched high school course corresponding to the college DE course. ***Failure to immediately enroll in the matched high school course may result in an "F" on the students transcript.***
- **What expenses are not covered by the DE program?** **Students may incur expenses for course related fees and supplies required for a particular course or optional fee charged by the postsecondary institution.**
