# WHAT IS DUAL ENROLLMENT?

Dual Enrollment allows eligible high school students to take college courses and earn both high school college credit for the same course.

Dual Enrollment is a state mandated program and is governed by F.S. 1007.271 and the Florida Department of Education Office of Articulation

# Advantages

- ▶ Earn credit toward college degree
- ▶ Less time to degree after high school
- ▶ Gives students an understanding of what college is like
- ▶ College graduation rates are higher for students who participated in dual enrollment
- ▶ Free college credit

# Disadvantages

- ▶ Out of state or private schools may not accept the credit
  - ▶ If the student is not successful it is part of his or her permanent record
  - ▶ There is not as much time for extra-curricular activities
- 

# TYPES OF DUAL ENROLLMENT?

## Regular Dual Enrollment

Students take up to three college classes per semester either at the college or on their high school campus.

## Early Admission

High school seniors enroll in 12-15 credits at the college and do not take any classes at the high school (*for public school students only*).

# TYPES OF DUAL ENROLLMENT?

## Collegiate High School

There are two Collegiate high schools.

- Lake Howell High School – Business Focus
- Crooms Academy – Technology Focus

Public school students take classes at the high school, online, and at the college to complete their AA degree by the time they graduate from high school.

# WHAT DEGREES ARE OFFERED?

## **ASSOCIATE OF ARTS DEGREE (A.A.) (Academic D.E.)**

The General Education portion of a bachelor's degree. The degree consists of 36 credits of general education and 24 elective credits. Electives are used for University prerequisites.

## **ASSOCIATE OF SCIENCE DEGREE (A.S.) (Career D.E.)**

Courses are mostly in a specialization area (example: computers, business, criminal justice, etc.). Some General Education courses are included. Not designed for students to transfer to a university.

## **Certificate Programs (Career D.E.)**

Usually one year and can be vocational or college credit. Meant for students who want to get a skill and then get a job. Some examples are Accounting Applications, Automotive repair, Digital Media, etc.

# DO ALL DUAL ENROLLMENT STUDENTS COMPLETE A DEGREE?

SOME STUDENTS TAKE A ONE CLASS,  
SOME TAKE A SEVERAL CLASSES,  
AND A FEW STUDENTS COMPLETE A WHOLE  
DEGREE WHILE DUAL ENROLLED.

# WHEN CAN I DUAL ENROLL?

HOME EDUCATION

# Where can I take classes?

- At any Seminole State Campus
- Online
- Some Public Schools have a class on their campus

# 4 Convenient Locations!

# Continued Eligibility

- Maintain your high school GPA (3.0 or 2.5)
- Earn a 2.0 or higher Cumulative College GPA
- No classroom behavioral issues:

“Regardless of meeting student eligibility requirements for continued enrollment, a student may lose the opportunity to participate in a dual enrollment course if the student is disruptive to the learning process such that the progress of other students or the efficient administration of the course is hindered”. F.S. 1007.271(3)

# How can I Dual Enroll?

## Public/Private School

- Have your high school counselor enter the GPA on the dual enrollment form and initial beside it.
- Complete the dual enrollment application.
- Bring the application to your closest Seminole State Campus. The student will be admitted and given a Seminole State College ID number.
- Create your MySeminoleState Account.

- If you have SAT/ACT test scores have them sent to Seminole State College.
- If you do not have test scores you will need to take the P.E.R.T. or remote Accuplacer
- Public school students will be given a link to order books.
- Private school students will complete the 869 form with the high school counselor.
- The registration form should be sent to [dualenrollment@seminolestate.edu](mailto:dualenrollment@seminolestate.edu) or brought to the nearest campus student service area to be processed. High school counselors will confirm class approvals before the student can register.

# WHICH CLASSES CAN I TAKE?

## Classes that are *approved:*

- ▶ Those that are required for high school graduation
- ▶ Those that are meeting AA/AS/Vocational requirements

## Classes that are *not* *approved:*

- ▶ Developmental
- ▶ Courses that are only 1 credit (except engineering and Honors)
- ▶ Physical education
- ▶ Adult education

# IMPACT ON EDUCATIONAL RECORD

- Courses are part of the student's permanent educational record. If a student is not successful in a course, it will not be removed from the college transcript.
- Courses are listed on both the high school transcript and college transcript.
- Courses are weighted on the high school transcript the same as IB or AP.
- Unsuccessful attempts at college classes could impact the students' eligibility for future financial aid.

# DROP/WITHDRAW

**Drop:** Dropping a class means the class will NOT appear on your transcript; has to happen within the first week of classes

**Withdraw:** Withdrawing a class means you will receive a grade of “W” on your transcript; will not impact your GPA but can possibly impact your future financial aid.

**Public/Private School Students:** will need their counselors permission to drop or withdraw from a class
