

20TH CENTURY DECADE'S PROJECT - DUE: MAY 3RD

My Decade: _____

Have you ever heard an older person comment how different things are now from when they were your age? What is it that defines our times? If you were to meet someone from the distant future, what would you share to help that person understand what life is like in 2017? If you had the chance to go back in time, what clues or evidence would you look for to discover what it was like to live then?

This project was created especially for you to have fun!

In this project, students look at the 20th Century. Students will research information on one decade of the 20th Century. From their research, the students will create a booklet and presentation about that decade.
