

This Week at Hagerty High School...

Principal's Message December 2, 2022

I hope that everyone enjoyed a wonderful Thanksgiving week with friends and family. There are only two weeks left in the first semester! 9-weeks exams will take place during the week of December 12-16. The exam schedule is attached for you. Please remember that we do not allow students to take exams early. If a student misses an exam due to absence, then they will need to schedule a make-up test with the teacher. This test may be administered in January when students and teachers return from the winter holidays. A zero will be placed into the gradebook until the exam is made up. Upon completion of the exam, the grade will be changed and updated officially in Skyward.

This is also the time of year when our performing arts programs put on their winter showcases. Come out tonight and see the band program's Rhapsody in Blue Concert starting at 7:00. This is always a fun performance that showcases the students' ability to organize the ensembles. Next week our chorus program will host their winter show on Tuesday evening at 7:00. The week will end with our dance show on Friday night at 7:00. Don't miss your opportunity to come out and watch some of our most talented students perform!

I hope everyone has a wonderful weekend! Go Huskies!

Student Services

Bright Futures Application: December 5-6, Seniors will submit their Bright Futures Scholarship application during Economics or US Government classes. If students are absent or do not have one of these courses on campus, they may use the attached file to help complete the application. In this application, students are asked to provide their Social Security number. If this information is unknown, the system will not be able to fully process the application. If a student does not know or does not wish to provide this information, they will be given a 'pseudo number'. This will need to be updated in the application at a later date.

Bright Futures Evaluation Reports for Juniors and Seniors have been posted to Skyward. These reports may be accessed from the Skyward [Parent](#) account under the *Portfolio* tab.

Community Service Updates: We are awaiting clarification on what type of work hours can be applied towards community service for the purpose of the Bright Futures Scholarship. We have been advised from the Florida Department of Education that students **may not combine work hours with community service hours** in order to reach the required total. Once we receive direction from the state and county regarding the type of work they will allow, we will share that information and those forms with you. Thank you for your patience.

Community service information and documents can be found at [THIS](#) link on the Hagerty website. Students may also pick up printed copies in either Student Services office. *The deadline for seniors to submit service hours is May 1, 2023.*

Thrive with 5! Are you surviving senior year? THRIVE w/5 is an opportunity to participate in activities seniors need to complete and earn entries to win fun prizes along the way! See the attached flyer for more information.
