

This Week at Hagerty High School...

Principal's Message December 3, 2021

Next week, Hagerty High School will celebrate Winter Week! The week is designed to provide our students with a little fun and stress relief before final exam week. We have a few evening activities for students to participate in as well as daily themes for students to dress up. Students Government will be decorating our campus for the week. I would like to encourage everyone to participate when they come on campus next week!

In a couple of weeks our students will take their final exams for the first semester. Please make sure that you look at the attached exam schedule for the week as our class times have all been adjusted. Students will not be permitted to take exams early and are expected to be in class during the designated class times. Any students who are absent for their exam will receive a zero and will be allowed to make up their exam upon return to school at a time determined with their teacher. One December 15th, 16th, and 17th our classes will end at 11:15 and the school day will end at 11:45. Dining services will have lunch available for students from 11:15-11:45 and the buses will leave campus at 11:45.

I wish you all a great weekend! Go Huskies!

Student Services

Spring 2022 Dual Enrollment (DE) requests are now being processed. *New* students to DE will need to bring their completed application to an SSC campus or email it **by December 3**. *Existing* DE students need to complete their registration by **December 17**. Students should familiarize themselves with the dual enrollment process by reviewing the information on [THIS](#) page. Be sure to scroll down to the "Steps to Apply" section for full details on how to register.

On December 6 & 7, seniors will be submitting their **Bright Futures Scholarship application** during Economics or US Government classes. In this application, students are asked to provide their Social Security number. If this information is unknown the system will not be able to fully process the application. Seniors, please come prepared with your Social Security Number as the school does not have access to this information. If you do not know or do not wish to provide this information you will be given a 'pseudo number'. You will need to go back in at a later time to update your application with the correct information.

Seniors: As you receive college and scholarship acceptances, please be sure to complete [THIS](#) form. Thank you! Please check the [Student Services \(2021-22\)](#) Canvas page regularly for important announcements, scholarships, volunteer opportunities, college visits, and much more!

Testing Updates

Please review the exam schedule for semester exams. No early exams will be administered! If a student misses an exam due to absence, then they will have to schedule a make-up with the teacher, which can take place upon return to school in January.
