Can you believe 2018 is almost over? It has been an amazing year and we would like to build upon the gains our students have made over the school year. Continuously encourage your students to read and challenge themselves academically until school resumes. **The Parent Resource Center has flashcards, books, worksheets and activities for your students while on break.** Please see Mr. Scott for any educational resources needed. Enjoy family, have fun and be safe! **School is back in session Tuesday, January 8th.** Until then, See You Next Year!!!
