2017-2018 Stop Flu at School Program

Due to increasing financial & staffing limitations, the

Department of Health will not be offering the Stop Flu at School program to all schools this year. The DOH recognized that many families relied on this program as a free and convenient way to vaccinate their children. Parents are encouraged to have their children vaccinated for the flu by their healthcare provider. The DOH will explore further public-private partnership opportunities with the hope of reinstating the SFAS program coverage in the future. Any questions call DOH, Immunization Branch @ 586-8348.

Students should cross the highway only at the crosswalk. Dismounting and walking across the street will insure a greater degree of safety. By law, students should be wearing a bike helmet. After school, students may not ride bikes in the parking lot of the school or park for obvious safety reasons. **Also please be advised to LOCK your bikes up just as a safety precaution.**

Student Behavior Expectations

Sunset Beach has adopted the VIRTUES character education program. The school motto is S.U.R.F which focuses on the values of Self Discipline, Unity, Respect, and Friendliness. Our mascot is the Tiger Shark and our school colors are green and blue. All students are expected to model SURF.

Happy Holidays Sunset Beach Elementary School Sharks!!!!
