

Deep Blue Sea

Science Olympiad

2014

1. What type of sea turtle am I?

2. What creature am I?

3. What do you call this?

4. I am a

5. What am I?

I am a

6. What type of fish am I?

7. I am a....

8. I am a ...

9. What am I?

10. What type of fish am I?

11. What am I?

12. What am I called?

13. This shrimp is hanging out on _____

Part II

- Now you will simply put a, b, c, or d for the following questions:

14. A tunicate is also known as

- A. sand dollar
- B. sanamyan
- C. squid
- D. sea squirt

15. Manatees eat

- A. sea shrimp
- B. algae
- C. crabs
- D. clams

16. Leatherback sea turtles eat

- A. seaweed
- B. crabs
- C. jellyfish
- D. all of the above

17. Which of the following is the largest sea turtle?

- A. Green Sea Turtle
- B. Leatherback
- C. Hawkbill
- D. Loggerhead

18. Sturgeon eat

- A. worms
- B. mollusks
- C. insect larvae
- D. all of the above

19. The part that secures seaweed to the ocean floor is called:

- A. holdfast
- B. frond
- C. blade
- D. stipe

20. Why are Bottlenose Dolphins born tail first?

- A. to get them used to using their tail
- B. so the cold water doesn't cause their bodies to go into shock
- C. to keep them from swimming away from their mother
- D. so the baby dolphin doesn't drown

21. Which statement is true for Atlantic Sturgeon?

- A. females are larger than males
- B. Atlantic Sturgeon have been around for only a couple thousand years
- C. They are often found in Georgia's lakes
- D. They grow very quickly

22. Clams eat by:

- A. catching their food by snapping their shells shut
- B. using the “foot” like a hand to catch their food
- C. by using siphons to suck in their food
- D. none of the above

23. Green Sea Turtles are different from other sea turtles in which way?

- A. They are primarily herbivores
- B. They live for only about ten years
- C. They migrate the longest distance
- D. They are larger than the other sea turtles

24. Starfish eat their prey by:

- A. crushing its prey and eating it
- B. by extending its stomach out through its mouth
- C. grazing on the moss as the starfish moves over it
- D. all of the above

25. Sand Dollars are also known as:

- A. Dutch discs
- B. white sea flowers
