Georgia's Dual Enrollment

What is it?

Dual Enrollment provides opportunities for Georgia high school students to take college-level courses and earn concurrent credit toward a **high school diploma and a college degree** while still in high school.

Dual Enrollment Programs

Accel

... is a non-need based grant program offered for students that wish to take college-level (academic-only, degree-level) coursework for credit toward both high school and college graduation requirements.

"Dual enrollment eases the transition from high school to college, provides students an early start on their college careers, including those who might not otherwise have access to early college opportunities."

Move On When Ready

...provides an **eligible** 11th or 12th grade student to take **ALL** of his or her courses through an eligible institution and/or a virtual program. Students receive secondary credit for completing graduation and high school diploma requirements.
