Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental PPO network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$100	Additional bonus is earned if the member sees a PPO provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards and PPO Bonus combined

PPO Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. When prompted to select your network, choose **Classic Network**.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1.

Covered Vision Expenses will not include and no benefits will be payable for expenses incurred for:

1. examinations performed or frames or lenses ordered before the member was covered under the eye care expense benefits.
2. subject to extension of benefits, any examination performed or frame or lens ordered after the member's coverage under the eye care expense benefits ceases.
3. sub-normal eye care aids; orthoptic or eye care training or any associated testing.
4. non-prescription lenses.
5. replacement or repair of lost or broken lenses or frames except at normal intervals.
6. any eye examination or corrective eyewear required by an employer as a condition of employment.
7. medical or surgical treatment of the eyes.
8. any service or supply not shown on the Schedule of Eye Care Procedures.
9. coated lenses; oversize lenses (exceeding 71 mm); photo-gray lenses; polished edges; UV-400 coating and facets, and tints other than solid.
10. No benefits are payable for a service which is not listed under the list of eye care services.
