

DHS Foundations of Algebra Assignment Sheet

Day 1	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Workbook Assignment: Block 7, Topic 2, Lesson #2: Find Change Between Coordinates. Work on pages 110-111.
Day 2	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Workbook Assignment: Block 7, Topic 2, Lesson #3: Identify Slope in Four Quadrants. Work on pages 112-113.
Day 3	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Workbook Assignment: Block 7, Topic 2, Lesson #4: Use Slope to show Fraction Equivalence. Work on pages 114-115.
Day 4	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Get with a partner at your house and work on the Multiplication Station. Pages 116-118.
Day 5	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Complete Lesson 1 Do Now on page 120. Workbook Assignment: Block 7, Topic 3, Lesson #1: Create Reflections over the Origin. Work on pages 122-123.
Day 6	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Complete Lesson 2 Do Now on page 120. Workbook Assignment: Block 7, Topic 3, Lesson #2: Multiply Rational Numbers. Work on pages 124-125.
Day 7	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Complete Lesson 3 Do Now on page 120. Workbook Assignment: Block 7, Topic 3, Lesson #3: Multiply Negative Numbers to Find Solutions. Work on pages 126-127.
Day 8	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Complete Lesson 4 Do Now on page 121. Workbook Assignment: Block 7, Topic 3, Lesson #4: Divide Negative Numbers to Find Solutions. Work on pages 128-129.
Day 9	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Complete Lesson 5 Do Now on page 121. Workbook Assignment: Block 7, Topic 3, Lesson #5: Solve Puzzles with Rational Numbers. Work on pages 130-131.
Day 10	Work on Math 180 each day for 30 minutes. (Time will be checked!!!!) Complete Block 7 Performance Task from pages 132 – 133B.
