Directions for Creating Your Class for HMH's Go Math! (Elementary)

Once you have added your students for each course you teacher they would log into the website using the following username and password:

Student user name: pasco123456 (student ID number)

Student password: LDAP password

They must use their own student ID number for the username. Their password will be the district generated word, followed by numbers and a symbol. This information can be found as you are creating your classes or you ICT coach should be able to obtain this for you as well.

Now to adding students into your classes....

Directions for Creating Your Class for HMH's Go Math! (Elementary)

On the homepage please make sure that next to resource it says "FL GO Math!", then under settings please select "Manage classes."

The screenshot shows the HMH Go Math! dashboard. At the top left, the word "Dashboard" is displayed in white on a blue background, with "HI MELISSA" underneath. To the right of the name are links for "Home | Log Out", "Help Center", and "Settings". The "Settings" dropdown menu is open, showing "Manage Classes" and "Manage Account" options. In the top right corner, the Houghton Mifflin Harcourt logo is visible. Below the blue header is a light blue navigation bar with a "Dashboard" link, a search bar labeled "Search for Resources", and a "Browse" button. The main content area is divided into two columns. The left column features a "mySmartPlanner" widget with a calendar view for "Monday, Sep 1 2014" and a large grey box announcing "Holiday : Labor Day". The right column is titled "Resources" and has a dropdown menu set to "FL Go Math!". Below the title is a "Grade" filter with buttons for "KG", "1", "2", "3", "4", "5", and "6". Four resource cards are displayed: 1. "GO Math! Florida Common Core Online Assessment System, GK" with a vertical stack of four colored circles (yellow, black, yellow, yellow) and letters A, B, C, D. 2. "GO Math! Florida Common Core ePlanner, GK" with a yellow star icon. 3. "Professional Development Videos for Podcasting" with a blue-bordered icon of a tablet. 4. "Tools Primary" with a yellow star icon.

On the "Add a Class" page you need to give your class a new name (i.e Wolfe 2014) and the grade level of your class. Then select the products/resources below that support Go Math! and Science Fusion since they are both a part of HMH. At the bottom of the page will be a Save button and then you can assign your students.

Add Class

✓ 1. Define class details 2. Assign students to class

Define the Class
