

Directions To Join GLMS Incoming 6th Grade Night Thursday, January 28th @ 5:30pm

Step 1: Copy link below

<https://scps.webex.com/scps/onstage/g.php?MTID=e57e49201d8b3afa189b256159f00609b>

Step 2: Click on Join Now

The screenshot shows the Cisco Webex event page. At the top left is the Cisco Webex logo. The event title is "Event Information: GLMS Incoming 6th Grade Night". Below it, a note states: "Registration is required to join this event. If you have not registered, please do so now." On the right, there are links for "English" and "New York". The event status is "Started (Register)". The date and time are "Thursday, January 28, 2021 5:30 pm Eastern Standard Time (New York, GMT-05:00)" with a link to "Change time zone". The duration is "1 hour". The description welcomes incoming 6th grade eagles and provides a link to the GLMS website. On the right side, there is a "Join Event Now" button and a form to provide information: First name (Breezi), Last name (E), Email address (@gmail.com), and Event password (*****). Below the form is a "Join Now" button and a link to "Join by browser NEW!". At the bottom, there is a note: "If you are the host, start your event."

Event status: ● Started ([Register](#))

Date and time: Thursday, January 28, 2021 5:30 pm Eastern Standard Time (New York, GMT-05:00) [Change time zone](#)

Duration: 1 hour

Description: Welcome Incoming 6th Grade Eagles! We are super glad to have you and will do everything we can to ensure you have all that you need to be ready for this upcoming 6th Grade 2021-22 school year! My goal tonight is to answer questions not addressed from the videos posted to GLMS website. Please visit www.greenwoodlakes.scps.k12.fl.us to view posted videos, Incoming 6th Grade Night Webex Link and directions.

By joining this event, you are accepting the Cisco Webex [Terms of Service](#) and [Privacy Statement](#).

[Join by browser](#) **NEW!**

If you are the host, [start your event](#).

Step 3: Confirm email address and click Submit

Step 4: Click on Run Temporary Application

Step 1 of 2: Add Webex to Chrome

The screenshot shows a two-step process to add the Cisco Webex extension to Chrome. Step 1 shows a Chrome extension page with a green "Add Webex to Chrome" button. Step 2 shows the Chrome Web Store page for the "Cisco Webex Extension" with a blue "Add to Chrome" button. Below these steps, there is a large green button labeled "Add Webex to Chrome". At the bottom, there is a link: "Don't want to use an extension? Run a temporary application to join this meeting."

Follow this one-time process to join all Webex meetings quickly.

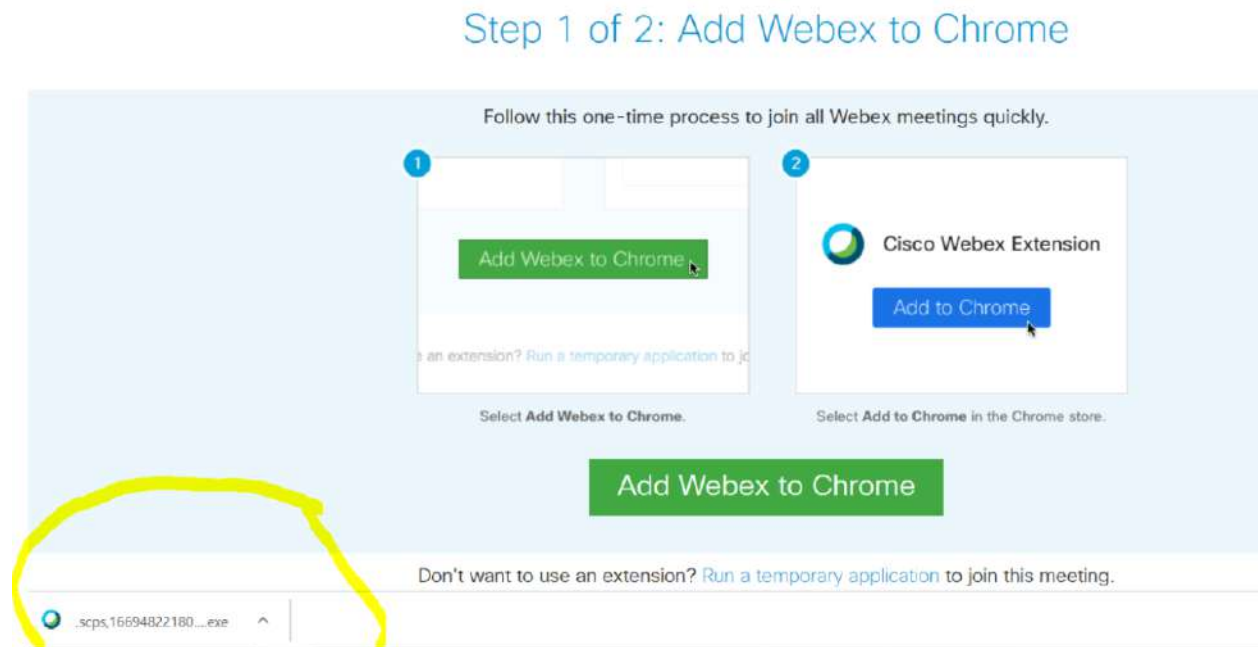

1. [Add Webex to Chrome](#)

2. [Cisco Webex Extension](#) [Add to Chrome](#)

[Add Webex to Chrome](#)

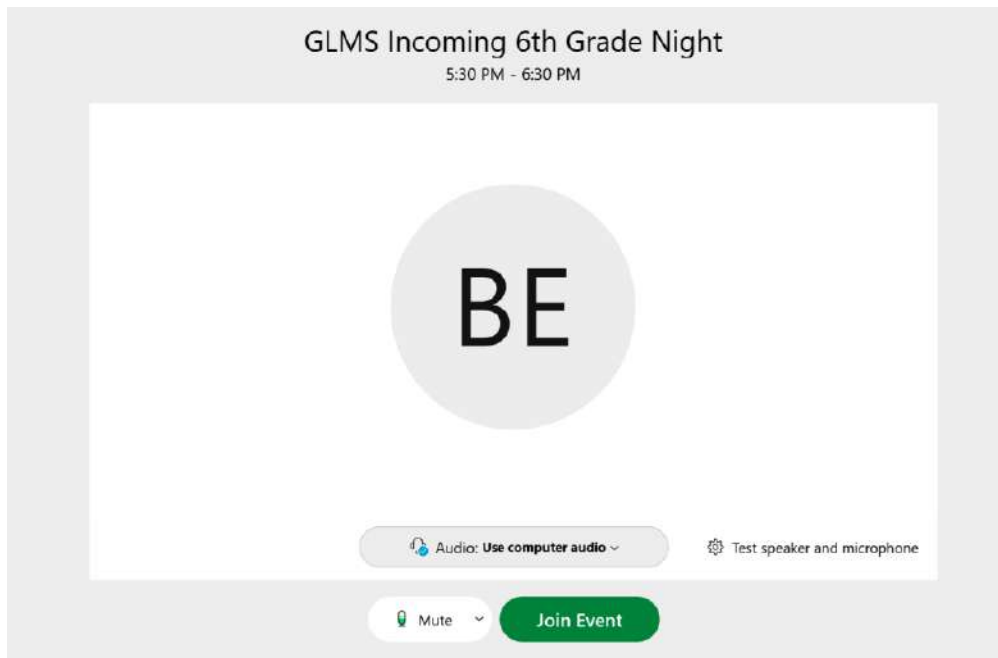

Don't want to use an extension? [Run a temporary application to join this meeting.](#)

Step 5: Click on the new browser that opened in the bottom left-hand corner of your screen

Step 6: Click on Got It (if this option appears, it may not!)

Step 7: Click on Join Event

Note: All participants will be muted upon entry. Please open the chat box in the bottom righthand corner to type general questions. Only the “Host” will see posted questions.
