CLAYTON COUNTY PUBLIC SCHOOLS DISTRICT OVERVIEW

Clayton County Public Schools (CCPS) is fully accredited through Cognia. The district offers a focused world-class program based on a challenging curriculum which is taught from pre-kindergarten through 12th grade. Serving over 52,000 students, Clayton County Public Schools is ranked among the 100 largest school districts in the U.S. and is the fifth-largest school system in Georgia. Made up of 67 schools and a variety of programs, the school system has over 6,200 employees. Established with a district-wide theme of Committed to High Performance, CCPS is providing boundless opportunities for its students to be prepared to live and succeed in a global economy through an innovative, technology-based, STEM & STEAM approach to education. The school district is located just 17 miles from Downtown Atlanta and Clayton County houses the world's busiest airport – Hartsfield-Jackson International Atlanta Airport. CCPS offers a variety of learning options such as traditional schools, fine arts magnet schools and/or programs, Career, Technical, and Agricultural (CTAE) Pathways, the International Baccalaureate Program, the Cambridge International Program, online/virtual courses, and Gifted Education Programs. The school district also provides state-of-the-art facilities for community and district growth including the Clayton County Public Schools Performing Arts Center and the S. Truett Cathy Professional Learning Center.

CLAYTON COUNTY PUBLIC SCHOOLS
MISSION, VISION & BELIEFS

Clayton County Public Schools Mission Statement

The mission of Clayton County Public Schools is to empower scholars to achieve academic, professional, and personal goals by providing equitable access and experiences that build skills in literacy, creativity, critical thinking, and collaboration.

Clayton County Public Schools Vision Statement

The vision of Clayton County Public Schools is to prepare ALL graduates to have the skills to pursue and accomplish college, post-secondary training, and/or career opportunities in order to live and compete successfully in a global society.

Clayton County Public Schools Core Beliefs

- We believe children have the first priority and right to all fiscal and human resources.
- We believe educational practices should be equitable and multicultural with the understanding that education is the shared responsibility of the scholar, the parent/guardian, the school, and the community.
- We believe communication and understanding among all stakeholders of our diverse community are essential to achieving the goals of education.
- We believe that learning is a continuous process and most productive when the needs of each child are met through high-quality instruction provided by competent and caring adults.
- We believe in a learning environment where it is essential that everyone is safe and secure and experiences care, dignity and respect.
- We believe that arts and culture cultivate the whole child, gradually building literacy while developing imagination, skill, reasoning, and intuition into unique forms of expression and communication.
- We believe that equality is a fundamental human right and a necessary foundation for scholars everywhere.
- We believe that integrating financial literacy education throughout the K-12 experience represents a promising opportunity to reach scholars at pivotal points in their development and financial lives.

CLAYTON COUNTY PUBLIC SCHOOLS STRATEGIC GOALS

Clayton County Public Schools Strategic Goals

1. To increase and accelerate academic achievement in all content areas and literacy levels for all scholars, to include students in all special programs, in Clayton County Public Schools as evidenced by local, state, national, and international assessment results

CLAYTON COUNTY PUBLIC SCHOOLS
COVID-19: Clayton Calling the Shots!

Clayton County Public Schools has prioritized the safety of all staff, students, their families and the community at-large by working with local and state health officials to spearhead vaccination efforts within the school system and beyond. As the district continues to encourage vaccinations and adherence to safety protocols aimed at mitigating the spread of COVID-19, please see the highlights below relative to the district's efforts.

- Creation of COVID-19 Protocols for employees and students as well as a COVID game plan for parents in preparation for the 2021-2022 school year. In addition, Clayton County School Board approved the Incentivisation of vaccinations for employees as recommended by the Superintendent.
- Creation of the “Clayton Calling the Shots -- Get Vaxxed” informational campaign designed to increase vaccination awareness across the county for eligible students, staff and stakeholders!
- Established a comprehensive COVID-19 Dashboard in November 2020, housed on the district website, to promote transparency. The CCPS COVID-19 Dashboard features the number of positive cases among Clayton County residents and district students and staff as officially confirmed and reported to the district. This data is updated weekly using a 5-day (Monday-Friday) reporting period time frame.
- Began partnering with local organizations to provide free drive-thru COVID-19 testing opportunities in January 2021. These efforts are ongoing.
- Clayton County Public Schools established an in-district COVID-19 Vaccination Clinic for employees in March 2021 through a partnership with the Clayton County Health District and Clayton County Fire and Emergency Management. Since then, the clinic has expanded to serve the Clayton County Community.

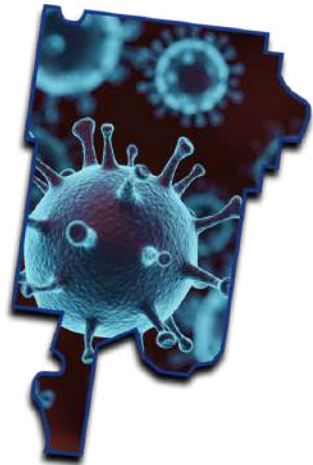

CLAYTON COUNTY PUBLIC SCHOOLS

COVID-19: Clayton Calling the Shots!

- Since March 2021, Clayton County Public Schools has vaccinated nearly 2,100 individuals via the CCPS Vaccination Clinic and mass vaccination drives held in partnership with local health agencies as part of the “Clayton Calling the Shots” informational vaccination campaign.
- Continues to partner with local agencies to host mass vaccination drives for the Clayton County community utilizing CCPS schools and facilities as host sites.
- Launched School-based COVID-19 testing sites and vaccination clinics to provide voluntary COVID-19 testing and vaccinations to students and staff during the work/school day. These efforts began in September 2021.

CLAYTON COUNTY PUBLIC SCHOOLS LIFTING LITERACY IN CCPS & BEYOND

Clayton County Public Schools is committed to providing high-quality literacy instruction for all students to allow them to reach their fullest potential. Please see a few initiatives below regarding the district's focus on literacy and at-home learning!

- During the first nine weeks, scholars in grades K-5 are receiving an additional 45 minutes of targeted reading instruction to support focus areas and priority standards.
- Penmanship is important to practice. Activities such as sand and playdough are recommended to build fine and gross motor skills. Scholars in second through fifth grade are being taught cursive writing skills as this is a state standard and district expectation.
- Read 20 minutes a day to ensure that your child is increasing their word knowledge and vocabulary. When you read 20 additional minutes a day, you are exposed to 1.8 million more words. Ride and Read promotes caregivers having books in the backseat for their children to read. You may use the pocket on the back of the driver and passenger seats to store the books.
- Chat and Chew promote conversation during various dining times.
- See and Say encourages caregivers to talk about what they see throughout the day.
