WHOM DO WE HELP?

We assist people with developmental or intellectual disabilities, and their families or guardians.

WHAT IS AN INTELLECTUAL DISABILITY (ID)?

This refers to a person with significant subaverage general intellectual functioning with moderate adaptive functioning and manifested before the age of eighteen.

WHAT IS A DEVELOPMENTAL DISABILITY (DD)?

A developmental disability is a severe chronic disability which:

- 1) Is attributable to a mental or physical impairment or combination of mental and physical impairments;
- 2) Is manifested before age twenty-two;
- 3) Is likely to continue indefinitely;

- 4) Results in substantial functional limitations in three or more areas of major life activities: self-care, receptive and expressive language, learning, self-direction, capacity for independent living, economic sufficiency; and
- 5) Reflects the need for a combination and sequence of special interdisciplinary or generic care, treatment, or other services, which are lifelong, or of extended duration and individually planned and coordinated.

- Community Education

2) Case Management Services

- Provides outreach to the community, including community education and information;
- Identifies what supports the person has, wants, needs;
- Identifies what supports are necessary to assure the individual's health and safety and well-being;
- Assists individuals in developing a plan to support them in their desired life; and
- Assists individuals in obtaining supports and services needed, including supports provided or funded by the Developmental Disabilities Division such as:
 - * Home and Community-Based Services - Services for individuals with developmental or intellectual disabilities (DD/ID) that provides an alternative to institutional placement. Services may include personal assistance/habilitation, respite care, employment services, chore, specialized medical equipment and supplies, environmental accessibility adaptations, adult day health, skilled nursing, emergency outreach, emergency respite, emergency shelter, training and consultation, vehicular

modification, assistive technology, personal emergency response system, and non-medical transportation.

- * Long-Term Adult Supports & Resources – 100% state-funded purchase of service programs for those individuals not eligible for Medicaid waiver services or other federally reimbursed programs. In addition to ensuring an individual's health and safety, the goals for the purchase of service programs include:
 - Increase natural supports for the individual;
 - Increase knowledge of the individual's community;
 - Increase opportunities for the individual to contribute to the community; and
 - Increase the individual's independence in the community.
- * Family Support Services Program – A state-funded flexible reimbursement program which supports individuals living in the family home.

WE CAN PROVIDE SPECIAL ASSISTANCE:

- a sign language interpreter;
- a bilingual interpreter; and/or
- TTY hearing impaired telephone services.
Advance notice is required.
