Dear Russom Parents and Students,

WELCOME BACK TO SCHOOL!!! We are so excited to see everyone on **Thursday, 7/28/22**, at our Russom Elementary School **Meet and Greet**. We have been working extra hard to get everything ready just for you. A big "Welcome" to all our new families! We have a lot of new Rhinos arriving from near and far and can't wait to have you become a part of our Russom family. If you are unable to attend Thursday, please check our Russom Elementary website for Open House videos under School News for all grade levels. Links will be available on our website Thursday, 7/28/22, after 12:00pm.

Face-to-face Open House sessions are available for all grade levels this year!!!

We encourage you to attend based on your last name initial. This will help stagger the large number of visitors in our building. Please enter through the front doors and we will direct you down the appropriate *hallways.

We will have a DLD day on Friday, 8/5/22. No students will be in the building that day and they will be provided assignments online. This will allow us to use our Canvas program for online learning.
