Is theatre for you?

Playing with theatre gives students the opportunity to improve their speaking skills, express themselves, and just plain "ham it up" in front of an audience! The class will include scene work, movement exercise, vocal exercise, improvisation, pantomime, make-up skills, monologues, oral interpretation, and much more. The class is for students at all levels of acting skills, from beginners to experienced.

Meet the instructor, Mosisah Mavity!

Mosisah Mavity has taught both drama and music classes for The Center for the Arts in Thomasville and for Asheville School (Asheville, NC). She has been on stage since she was a small child, performing with Thomasville OnStage & Co. and with DRAMAKIDS. She continued to pursue the performing arts as an actress and vocalist at Asheville School, Brevard College, and The Asheville Lyric Opera. Most recently, she was seen in the role of Lily in Thomasville OnStage & Co.'s spring production of *The Secret Garden* and in Quincy Music Theatre's production of Mozart's *The Magic Flute*. Mosisah is excited to continue her mother Donna Mavity's work with DRAMAKIDS.

Is transportation provided?

Bus transportation for Cross Creek students will be provided to Thomas County Middle School for students enrolling in programs there. Students will be met at the bus, escorted to the media center, provided a light snack, and taken to the appropriate location in the building for their lesson. After the lesson, students may have supervised homework time in the media center until 5:30 p.m. All students must be picked up from Thomas County Middle School by 5:30 p.m. Students may participate in the afternoon supervised homework program only on days when they are participating in one of the afterschool arts programs.
