Dear Parents/Grandparents/Guardians,

We are the Kendrick Middle School Counseling Department, “Dream Team” at Kendrick Middle School. In partnership with the administrators, faculty, staff, parents and students, we will inspire and empower learners by nurturing each individual’s voice, intellect, and character as part of the counseling team. It “takes a village.” We are part of your child’s village. We will be providing academic, social/emotional support, and career education through programs and services that include guidance lessons and brief counseling.
