

Dress for Success Brochure Assignment

Create a brochure that educates individuals about the dress requirements for interviewing.

- The content should include details for business professional and business casual attire and must include specific details for females and males.
- Use your favorite search engine to assist you in obtaining information.
- You will need to include at least two citations. (sources or references)
- Your grade will also be based on the visual appeal and layout of the brochure.
- You can use a brochure template to complete the assignment. If you choose that option, make sure to delete any default text that is not relevant to the topic.
- Save the brochure as **Interview Dress Brochure Your Name in your directory**
