Dual Enrollment

Why Choose Dual Enrollment?

Dual Enrollment gives high school students the opportunity to earn both high school and college credits simultaneously.

You can expediate your path to a college degree by starting in high school.

Earn transferrable college credit.

Save money on college courses.

Programs Offered Through Dual Enrollment

- ▶ **Traditional Dual Enrollment:** Traditional Dual Enrollment provides eligible accelerated high school students the opportunity to simultaneously earn both college credit and a high school diploma. Students may take a maximum of ten (10) Dual Enrollment credits in the fall and spring terms, and six (6) to eight (8) Dual Enrollment credits for the summer term (for a total of 2 courses maximum).
- ▶ **Early Admission:** Early Admission is a form of Dual Enrollment which allows eligible high school junior and senior students to enroll in a minimum of twelve (12) and a maximum of sixteen (16) Dual Enrollment credits per fall and spring term, and six (6) to eight (8) Dual Enrollment credits for the summer term (for a total of 2 courses maximum). Early admission students may only attend college courses and may not be enrolled in any high school classes.
- ▶ **Early College Program:** This program allows admitted students to complete 60 credits of Dual Enrollment coursework, culminating in earning both a standard high school diploma as well as an Associate of Arts (AA) Degree upon the completion of four years of high school. This program is offered at Toco Creek High School and Pedro Menendez High School.

Transferability of Dual Enrollment Courses

- ← Yes. Dual Enrollment will transfer to the Florida State Universities System (SUS) due to the Florida Common Course Numbering System and the statewide articulation agreement.
- ← If students do not, upon high school graduation, attend the same college or university where they earned their dual enrollment credit, the application of transfer credit to general education, prerequisite, and degree programs may vary at the receiving institution.
- ← Florida private schools look at the individual course to decide if and how the credit will transfer.
- ← For out of state schools and private schools you will need to check with the individual schools to inquire whether dual enrollment credit will be accepted to transfer.

Grades

Dual Enrollment is the start of your college transcript.

These grades can affect your college admissions, Bright futures, and financial aid eligibility. Be aware of your college GPA.

Students that earn below a “C” or withdrawal from a course will be removed from the DE program. Students are permitted to petition the DE office one time requesting to remain in the program.

If a student’s high school GPA drops below 3.0, they will be removed from the DE program.

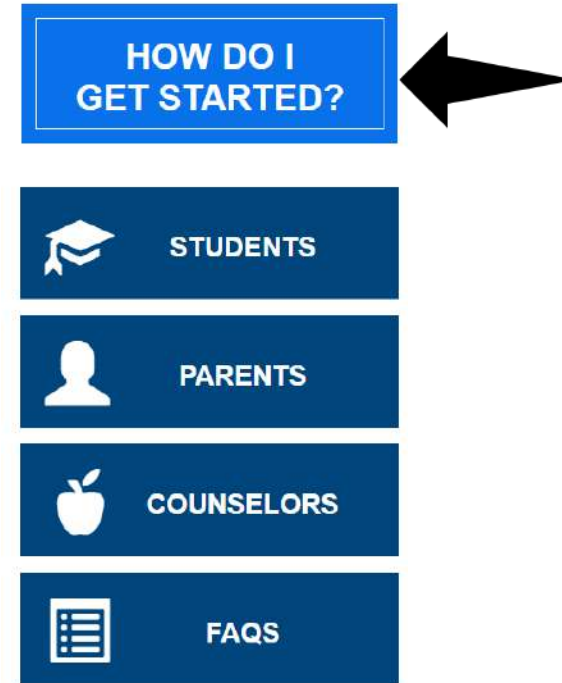

Expectations of Dual Enrollment Students

- ▶ Handle all communication themselves. Once you become a dual enrollment student, you become a college student.
- ▶ Have social and emotional maturity.
- ▶ Identify if you are having an issue with your course, instructor, assignments, etc. You must be able to handle the issue and communicate it appropriately.
- ▶ Log in to MySJRstate. (SJR State email)
