### Pacetti Bay Middle School Mission Statement

Pacetti Bay Middle School exists to inspire within its Students a passion for lifelong learning and a commitment to personal integrity and academic excellence. Students will aspire to be critical thinkers, internationally minded and responsible global citizens who display a balanced sense of social responsibility for their local community and the world at large.

# Character Counts!

Congratulations to April's Character Counts! Winners. Each grade level picked three students that exemplify April's Character Count trait of Responsibility.

Winners (left to right): Olivia Peoples, Ava Surage, Laklyn Mitchell, Brooke Farrell, & Malcolm MacEwan (not pictured: Ella Johnson, Olivia Conte, Sage Toussaint, & Nicole Donnelly)

University of North Florida has a number of GREAT Computer-related summer camps for both middle and high school students. We would appreciate you advertising this with both students and their parents (especially for middle school students). Each camp is \$500 and the application due date is May 15. More information can be found at -

<http://www.unf.edu/ccec/computing/summercamp/>

If students or parents have further questions after reviewing the website, they should contact UNF at [computing@unf.edu](mailto:computing@unf.edu) or (904) 620-2985.

Wildcats it has been a great year and has gone by so fast too!!

Before we part for the summer just a few house cleaning items to take care. Parents, students' medications MUST be picked up by May 24th, any medication left in the clinic after that will be disposed of properly. Also, if you are still looking for that winter jacket or lunch box that you lost, please come by the clinic to take a look in the Lost and Found, as all items not picked up will be donated at the end of the year.

It has been my pleasure getting to know you all and I hope you have a

Drinks will be provided

## 2016-17 Gifted Parent Advisory Council Meetings

The Gifted Parent Advisory Council meets four times per year to inform the school district about ways in which we can improve our efforts in serving our gifted students. Parents of K-12 gifted students from throughout the district are encouraged to come to all of the meetings. The Gifted Parent Advisory

Council meetings have been scheduled for the 2016-17 school year.

We hope to make St Johns County Schools a parent friendly environment!

Tuesday, April 25

Landrum Middle School

6:30-7:30 p.m.

## SUMMER MARINE SCIENCE PROGRAM

### Parents,

- Applications for the summer Marine Science Program were passed out at all schools during the week of February 13<sup>th</sup>. Applications were due back to science teachers by February 28<sup>th</sup>. Applications can still be downloaded at any time from the website prior to April 15<sup>th</sup> at <http://www-grms.stjohns.k12.fl.us/> and click on the Marine Science link. The link also will have a complete day by day curriculum for each grade level, parent information, and a video from last year's program.
- This summer program is available to all students currently in grades five through seven and has been sponsored by the school district since 1982. Three eight day sessions are held at Gamble Rogers Middle School with bus transportation provided. The dates for the three sessions this summer will be May 30<sup>th</sup> through June 8<sup>th</sup>, June 12<sup>th</sup> through June 22<sup>nd</sup>, and June 26<sup>th</sup> through July 7<sup>th</sup>. Small classes of 12-14 students are separated by grade level. All instructors in the program are St. Johns County School District teachers.
- The Marine Science Program is a carefully designed experience for responsible students who are interested in learning about our local marine environments. Learning is "hands on" in the field with students kayaking, canoeing, boating, hiking, snorkeling, sailing, windsurfing, surfing, SUP, (stand up paddleboarding), etc. Specific grade level activities and curriculum are attached to the applications and are also available from the website.
- More information about the program can be had by emailing [marinescience@stjohns.k12.fl.us](mailto:marinescience@stjohns.k12.fl.us) .

Odyssey of the Mind held its state championships on Saturday at UCF where 250 teams competed. Pacetti Bay's team, consisting of team members, Jordan Kotsis, Selah Johnson, Carlee Cashwell, Sklyer Herrera, Naomi Smith, Christy Shao and Megha Kalappa had a flawless performance that earned them 2nd place and qualified them for World Championships. They also earned Odyssey's highest honor, the Ranatra Fusca award for outstanding creativity. Their 1st place performance at regionals secured their advancement to state finals along with a special Omer award for exceptional teamwork. The team has worked on their problem since September which included building a robot that performed 4 different tasks as set in a humorous skit. The team will travel to Michigan State University in May to represent Pacetti Bay Middle School.

## Calling all Actors and Actresses!!!

Looking for something exciting to do this summer?

Pacetti Bay Middle School will be offering a Summer Theatre Camp to all rising 6th -9th Graders! The camp will take place June 19th-23rd. Registration forms can be found on the PBMS website. Don't miss this opportunity to show off your acting talents!

## Teacher Appreciation Week

The Pacetti Bay PTSO is looking forward to celebrating our dedicated staff during Teacher Appreciation week, May 1-5. We will be treating teachers to various food themed days and a little pampering too. We also have gift cards to distribute and drawings for other prizes to be awarded. We would love any monetary donations that could be applied towards the gift cards and activities we have planned. Please send in donations in an envelope marked for "PTSO-Teacher Appreciation".
