

Earth Science ABC Book

Be sure to follow all directions. This project will be worth 200 points. The rubric for the completed book is below. **Use your textbook or the Sepup textbook to find topics and information.**

1. Write your name on the bottom of each sheet of paper you receive.
2. For each letter of the alphabet, create a page for an ABC book of earth science.
3. Each page must include the following information:
 - a. A title
 - b. A paragraph that highlights the major points of your chosen topic for the page. The paragraph must have a minimum of 5 or more sentences.
 - c. An illustration that represents your topic. There must not be any leftover “white space” on the drawing; it must be completely colored. NEATNESS WILL COUNT!
 - d. NO PENCILS!!!! The final copy should be completed in pen or marker.

You will turn this rubric in with your ABC book for a grade. DO NOT LOSE IT!!!!

Earth Science ABC Book Rubric
