School Health and Safety

The health, safety and security of staff and students is our top priority. We follow CDC COVID mitigation strategies and work closely with local, state, and federal agencies to ensure a sanitized and safe environment for your child's learning. Our School Resource Officer is M. Simonetti with the SCSO.

The SpeakOut program provides three 24-hour monitored services that allows students, parents, or community members to anonymously report concerns. www.speakouthotline.org

Here's what students and parents say they like about Eastbrook:

" I like the safety of the school. I also like how nice the teachers are and lastly the kindness of care for each other in the school. "

Student

" I love all the nice teachers and staff. I love how much they commit to us learning. I love all the lunch and sides that gets served at lunch. So even when I'm gone to another school, I will remember how great Eastbrook was. "

Student

" I love the teachers and staff. They help you with anything you need or accommodate to you. Very helpful. "

Student

" I like how there are safety procedures and how there is something for everyone like how we have specific clubs and things for the gifted students. I like the extra help for the ones that need it and how everybody and all of the staff are so caring. "

Student

" The teachers are invested and committed to their students. I feel like the principal has a clear plan for the students to succeed academically and to enjoy their time at school. "

Parent

" Administrative staff seem to really care about my child's needs and have helped me find the right educational fit (teacher) for my child. They are very good at communicating as well when I or spouse have a question or concern. "

Parent

" Teachers and staff are incredibly kind. Curriculum is well-rounded. I LOVE that my kindergartener was introduced to the civil rights movement in an age appropriate way. Communication from the school is good. "

Parent

" I like the experienced teachers, diverse environment, academic opportunities, Accelerated Reader program, and the management of the COVID pandemic. "
