LEA - PURPOSE OF REQUEST

Please outline your specific request, including supporting information. Both subsections must be addressed indicating (a) educator competency through qualifications and (b) the LEA's plan to support and assist the educator. All information should be specific to the requested certificate.

Emergency Certificate

The employing district or charter school establishes that both of the following apply:

---a. The proposed recipient of the emergency certificate is competent.

LEA should list the candidate's specific skills, knowledge, and demonstrated abilities that indicate that they can be successful in this position while they are completing certification.

---b. The employing district or charter school is committed to support and assist the proposed recipient in achieving the skills and knowledge necessary to meet certification requirements.

LEA should provide details of the supports, professional development, and mentoring (beyond the state mentoring program) that will be put into place to ensure the success of this educator. Provide details and indicate who will be responsible for ensuring that this plan is enacted.
