

# Elementary Course Card

All students in grades 4 and 5 will have the opportunity to choose a mini major. A mini major is a chance for your child to deeper explore a magnet area of their interest. Mini-majors are a full year commitment and students must remain in their mini major selection once assigned. We will do our best to honor student's top preferences for a mini-major, but reserve the right to place them into a lower choice option if requests for a mini-major choice exceed capacity.
