Students will be scheduled for a total of eight course selections for their 2020-2021 ELHS schedule. Four courses will be scheduled 1st semester and four courses will be scheduled 2nd semester. Check off the EIGHT courses you wish to take next school year (at least 4 core courses and 4 electives totalling eight courses). Then choose 3 ALTERNATE elective courses, with "1" being your first choice, "2" your second choice, etc. Remember that two years of the same foreign language courses may be required for college admission, even though this is not a graduation requirement. These choices include your academic electives, fine arts, physical education, and CTAE courses. You may not receive your preferred elective, so choose alternates carefully. Enrollment in honors and advanced placement classes is based upon satisfactory completion of prerequisite courses. The FINAL day to request changes to your 2020-2021 schedule is May 1, 2020.

Special notes for seniors: Eligible seniors are permitted to select 6 courses instead of 8. Seniors who select this option will NOT be permitted on campus
